

Tips for a Successful Physician Visit

Our pediatric specialists partner with families to make our many innovative therapies and medical treatments more personalized and effective so children can achieve more of their goals.

- Arrive on time.
- If your personal information changes (address, home/ cell phone, insurance, etc.) please notify the scheduling department at **1-888-children (244-5373) option 3.**
- Carry a copy of your child's medications (including strength and dose) and the names of all doctors your child sees.
- Bring a written list of questions for the doctor to ensure you receive all the information you need.
- If you don't understand any information, ask for it to be explained in another way that might be helpful to you. Take notes.
- Encourage your child to ask the doctor any questions he or she may have. Even though your child is a patient, he or she is part of the team!
- Please share any concerns that you may have. We are all here to help you child and your family in any way we can.
