

Welcome Back.

Patient Education: Post COVID-19 testing

You've taken every precaution. So have we.

After your COVID-19 test, please continue to do the following:

1. Self-quarantine following testing and up until the day of surgery;
2. Social distance and wear a mask in your place of self-quarantine, when appropriate;
3. Immediately inform your physician if there is any close contact with a suspected or confirmed case of COVID-19;
4. Immediately inform your physician if there is any close contact with a person with symptoms consistent with COVID-19; and
5. Immediately inform your physician if you develop any symptoms consistent with COVID-19 while in self-quarantine: cough, fever, shortness of breath, loss of smell or taste or any type of respiratory illness.
