

UPDATE YOUR ONLINE PHYSICIAN PROFILE

The screenshot shows the RWJBarnabas Health website interface. At the top, there is a navigation bar with links for 'Why RWJBH', 'Giving', 'Careers', 'News', 'Billing', and 'For Healthcare Professionals'. A search bar is on the right. Below the navigation, there are tabs for 'Our Locations', 'Treatment & Care', 'Patients & Visitors', 'Research', and 'Our Doctors'. The main content area displays a physician profile for Jane Doe, MD, an Emergency Medicine specialist. It includes a photo of Jane Doe, her name, specialty, and phone number (555) 555-5555. A 'Member of Our Medical Group' badge is also present. To the right of the profile is a map showing the location of the Newark Beth Israel Medical Center at 201 Lyons Avenue at Osborne Terrace, Newark, NJ 07112. Below the map, there are buttons for 'AT A GLANCE', 'EDUCATION', and 'INSURANCE'. At the bottom left, there is a 'Hospital Affiliations' section with a person icon.

To help patients find you online, our website physician profiles allow you to include your medical education background information, clinical interests, published articles, a biography, accepted insurances and a photo.

Go to www.rwjbh.org/docupdates.

To view your current profile, visit rwjbh.org
Physician Directory at www.rwjbh.org/doctors/.

It is easiest to “search by name” (enter your last name)
to find your profile.

For more information and other ways to update your profile
contact us at info@rwjbh.org or 732.557.3900.
