Health Harvard Medical School

MEET THE PANEL

Dr. Steven Landers, MD, MPH
President & CEO, VNA Health Group

Dr. Steven Landers, a certified family doctor and geriatrician, serves as President and CEO of Visiting Nurse Association Health Group, the nation's second largest nonprofit home health, hospice, and community care provider. Prior to joining VNAHG, Dr. Landers served as the Director of the Center for Home Care and Community Rehab at Cleveland Clinic. Dr. Landers is a business leader and advocate for innovation and improvement in health care. Dr. Landers has authored several articles on the role of home care in national publications, including the New England Journal of Medicine and the Journal of the American Medicine and currently contributes to The Huffington Post policy blog.

Marianne Holler, DO, FACOI
Medical Director of Hospice and Palliative Medicine,
VNA Health Group

Holler is the Medical Director of Hospice and Palliative Medicine Programs for VNA Health Group-Ocean County. In 2017, she was appointed as Chair of the Bio-Ethics Committee at Community Medical Center. Dr. Holler also currently serves as a Clinical Assistant Professor of Medicine at Rowan University SOM. In 2009 Dr. Holler earned her Certificate of Added Qualification in Hospice and Palliative Medicine from the American Osteopathic Board of Internal Medicine. Prior to joining VNA Health Group Dr. Holler worked in a Palliative Medicine Clinic in Kampala, Uganda and serves as a Team Physician and Palliative Medicine Fellowship Director for Samaritan Healthcare & Hospice.

Dr. Jessica L. Israel
Monmouth Medical Center,
Division Chief of Geriatrics and Palliative Medicine

Dr. Israel completed fellowship training in Geriatrics and Adult Development at Mount Sinai Medical Center in New York, where she also completed residency training in Internal Medicine. She earned her Doctor of Medicine at the Mount Sinai School of Medicine in New York. Dr. Israel is a diplomat of the American Board of Internal Medicine and she holds board certification in geriatrics and hospice and Palliative Medicine.

**Free Event includes Light Fare,
Film Screening and Panel Discussion.**

Join us for a for a free screening and discussion of the PBS FRONTLINE documentary Being Mortal. Based on the bestselling book by Dr. Atul Gawande, this film explores the hopes of patients and families facing terminal illness and their relationships with the doctors, nurses and family members who care for them.

See the film and be part of a national conversation taking place in our community that asks: "Have you and your family had these important conversations and planned ahead?"
