

Early Lung Cancer Screening Saves Lives!

Learn about Lung Cancer Screening at Clara Maass Medical Center!

We care about people who smoke cigarettes or smoked in the past.

You may be eligible for a lung cancer screening if you:

- Are between 50-80 years of age
- Current smoker or have smoked cigarettes within the past 15 years
- Have or do not have insurance

Call 833-727-3665 and leave a message with your name, phone number, and that you are interested in lung screening at Clara Maass Medical Center.

You can expect a phone call back within 24 hours from a ScreenNJ patient navigator who can help schedule your lung screening and connect you to community resources.

- **You may be eligible for transportation services.**
- **The first 25 participants who have a lung screening completed will receive a \$25 gift card.**
