within PowerWorks EMR**

Barnabas Health Information Exchange

Barnabas Health

Open a patient chart and locate the "HIE" button in the upper right corner of the Summary Page or select the "Outside Records" button and click "Community View"

The screenshot displays the Barnabas Health EMR interface for a patient named ZZTEST, AMY. The interface is divided into several sections: a left sidebar with navigation options, a central area for 'Diagnoses and Problems', 'Vitals', and 'Vitals & Measurements', and a right sidebar for 'Summary' and 'Outside Documents'. The 'Outside Records' button in the left sidebar and the 'HIE' button in the 'Outside Documents' section of the Summary page are both highlighted with red boxes. A red arrow points from the 'Outside Records' button to the 'HIE' button. Two ovals are drawn around the 'Outside Records' button and the 'HIE' button, respectively.

The screenshot displays the Ambulatory EMR interface for patient ZZTEST, AMY. The interface includes a navigation sidebar on the left with options like Summary, Ambulatory Workflow, and Outside Records. The main content area is titled 'Community View' and shows a patient summary with fields for Name, Gender, DOB, Age, Source MRNs, HIE ID, and Phone. Below this is a disclaimer and a search bar. The data is organized into several panels: Problems (955), Radiology (0), Lab results (15), Vital signs (45), Diagnosis (0), and Procedures (161). Each panel has a 'Summary' dropdown and a 'View' icon. The Vital signs panel shows a table of recent measurements for Body Mass Index, BP Diastolic Repeat, BP Systolic Repeat, and BSA (m2).

Value	Most recent	Previous	Previous	Previous
Body Mass Index (kg/m2)	24.69 11/12/2015 20:59:00 CFAH	22.14 04/23/2014 15:40:00 IMFP	15.2 04/23/2014 15:22:00 IMFP	20.05 03/03/2019 19:49:00 IMFP
