DID YOU KNOW?

Donor-Advised Funds combine the ease of a charitable savings account with the flexibility of strategic giving. They are considered the fastest-growing charitable giving tools in the U.S., offering donors a convenient, cost-effective way to manage donations while optimizing tax advantages.

By making a gift of stock held longer than one year, you will avoid paying any capital gains tax. You may also be able to deduct gifts totaling up to 30% of your adjusted gross income in any year.*
