

Hernia Screening Event

Friday, August 7 | 8 a.m. - 1 p.m.

Outreach Classroom, Suite B15, 2nd Floor

9 Hospital Drive, Toms River, NJ 08755

Concerned about a possible hernia? Take advantage of this FREE screening opportunity. The screening includes a visual and physical assessment of the abdomen or groin to check for bulges or other areas of concern.

Screenings will be conducted by:

Ragui Sadek, MD, FACS, FASMBS, MAMSE, Chief, Bariatric Service Line, RWJBarnabas Health, Director, Minimally Invasive Surgery/Bariatric & Foregut Fellowship, RWJBarnabas Health

Chris Buchholz, DO, MPH, Bariatric & General Surgeon, affiliated with Community Medical Center

Michael Donaire, MD, Bariatric and General Surgeon, affiliated with Community Medical Center

Registration is required. Please contact Madison.Karpe@rwjbh.org or 732-856-2238 to register.

Please include your first & last name, email, phone number, and preferred screening time. Screenings are held every 10 minutes.
