Dear Junior Applicant:

Thank you for your interest in our Junior Volunteer Program. Please fill out the enclosed application and return it to the Volunteer Office at your earliest convenience. We will then forward a special evaluation form to your Guidance Counselor, after receiving a response from your school we will set up an interview. Working papers are now required by the NJ Department of Labor and Workforce Development, which can be obtained in the Guidance Department.

During the interview, we will discuss the areas of the hospital in which you may be assigned and the policies related to the Junior Volunteer Program. This will also be an opportunity for us to get to know you, your interests, skills, and future goals.

In order to become a Junior Volunteer, you must be 14 years of age, and a high school student in good standing. We will schedule a personal interview with you; you will secure medical clearance, provide us with a copy of their immunization record, and successfully complete the hospital’s orientation and training program. Volunteers must commit to at least four hours of volunteer service weekly, be able to guarantee transportation and adhere to the rules and regulations of Community Medical Center and remain in good standing with school. A three-month probationary period is required prior to receiving a permanent assignment. Applicant must do 100 hours of service before any letter of community service recommendation can be acquired.

We appreciate your desire to be of service to Community Medical Center and look forward to meeting you. Should you wish to contact us, you may call (732) 557-8000 ext. 11256 or email Cherrell.Smalls@rwjbh.org.
