

******Now Open******

**CMC OP Imaging Center at Whiting
65 Lacey Road
Whiting, NJ**

The Imaging Center is now open; the center provides CT scan, Ultrasound and Diagnostic X-ray. We will be adding screening mammography and Dexa in the near future. The Imaging Center is staffed with fully credentialed technologists and all imaging will be interpreted by the same board certified Radiologist currently practicing at Community Medical Center.

Open Monday-Friday

To make an appointment please call 732-716-9311.
