

NEW JERSEY BRAIN ANEURYSM & AVM SUPPORT GROUP

Brain Aneurysm patients and their family members can meet with their peers to participate in open discussions on managing daily activities which including healthy living, faith & spiritual healing, nutrition & exercise, and more.

This is also your opportunity to reconnect with your caregivers from EMS/911 operators, to ED staff, physicians and nurses.

This photo was sketched by a family member of a brain aneurysm patient.

2023 Meeting Dates: Jan 4 • Mar 1 • May 3 • July 5 • Sept 6 • Nov 1
