OBJECTIVES

"Contemporary Management of Pediatric Appendicitis"

- Appreciate unique aspects of presentation in pediatric appendicitis.
- Manage imaging modalities and when they are best used.
- Utilize principles of operative and non-operative management in appendicitis.

"Fancy Schmancy GI Tests for the PMD"

- Distinguish how and when to use non-invasive tests for H. pylori.
- Predict how and when to use various screening tests for IBD.
- Discuss tests available to categorize GERD patients.
- Appraise the various endoscopic tests available to help diagnose GI disorders.

Accreditation Statement: The Monmouth Medical Center is accredited by the Medical Society of New Jersey to provide continuing medical education for physicians.
