

Join us at Jersey City Medical Center's **National Seat Check Saturday**

September 24, 2022 | 10 a.m. - 2 p.m.

Target parking lot - 100 14th Street, Jersey City

Protect your child's future.

Join us to inspect your vehicle to make sure your child is in the proper seat for their age and size. Together, we can prevent your child from being harmed, in case of an accident, and generate awareness about child care safety in the community.
