

# Men's Cancer Support Group

## Virtual and In-Person

Are you a man currently getting treatment for cancer? Would you like to meet other men like you and get ideas about how to deal with this experience?

This professionally facilitated support group offers men an opportunity to learn from one another, feel less alone, and improve the quality of their lives.

In Person: 1st Tuesday of the Month at Steeplechase Cancer Center  
**11:00am - 12:30pm**

Virtual: 2nd and 4th Wednesday of the Month  
**6:30 - 8:00pm**

To register, please call 908-658-5400 x1 or visit [crossroads4hope.org/registration](https://crossroads4hope.org/registration)

This group is provided by RWJUH Somerset along with Crossroads4Hope.

Let's beat cancer together.

Rutgers Cancer Institute of New Jersey is the state's only NCI-designated Comprehensive Cancer Center. Together RWJBarnabas Health and Rutgers Cancer Institute offer the most advanced cancer treatment options close to home.
