Taking Aim at Substance Use in Ocean County

Secure Your Home By Disposing Of Unused Medications

The best way to dispose of most types of unused or expired medications (both prescription and over the counter) is to drop off the medicine at a drug take back site, location or program immediately.

If you cannot get to a drug take back location, follow these instructions to discard the medicine in your home trash:

- ▶ Mix medications with an unappealing substance such as dirt, cat litter, or used coffee grounds (liquid or pills; do not crush tablets or capsules)
- ▶ Place the mixture in a sealed plastic bag
- ▶ Throw away the bag in your trash at home
- ▶ Delete/block out all personal information on the prescription label of empty medicine bottles or medicine packaging, then trash or recycle the empty bottle or packaging
