

STAY INFORMED AND EMPOWER CHANGE:

Your 2025 Impact at a Glance

Employee Campaign

Each year, the RWJBarnabas Health System holds their Annual Employee Campaign. This campaign offers the opportunity for employees to make donations to the hospital in support of their fellow employees. In 2025, the JCMC Employee Campaign raised more than **\$50,000** in support of the:

- **Employee Assistance Fund:** supports employees during a time of financial hardship
- **Green Apple Rx Food FARMacy:** available to employees facing food insecurity

Supporting our Doctors of Tomorrow

With the support of our community, and a generous contribution from the Medical and Dental Staff at Jersey City Medical Center, the \$2.4 million renovation of the Medical Center's Graduate Medical Education facilities enhanced its academic infrastructure and capabilities. The newly renovated space was designed to not only meet the standards set forth by the Accreditation Council for Graduate Medical Education (ACGME), but to also ensure that our residents and fellows have access to the type of educational environment they need to thrive.

This generosity allows us to build not only a space for learning, but a pipeline of skilled, compassionate doctors who will serve this community for decades to come.

Hudson Gives

A huge thank you to our Hudson County community who supported our Hudson Gives Campaign. This online fundraising campaign unites the community to support Hudson County Nonprofits. This year's campaign focused on our Patient Assistance Fund, specifically raising funds for patient comfort kits for our adult behavioral health patients and our patients in the Emergency Department.

With the generous support from our community and partners, we were able to raise **\$10,895**.

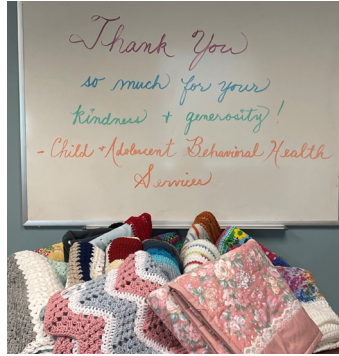

On Tuesday, October 28th, hospital staff and community volunteers came together in the spirit of kindness and teamwork to pack more than 500 comfort kits for our patients in the Emergency Department. Each kit was filled with thoughtful items meant to bring a little comfort and care to patients during a stressful time. It was a wonderful day of connection and generosity, showing how much our community truly cares for one another. This effort was made possible through the incredible generosity of our Hudson Gives donors.

WE MADE AN IMPACT TOGETHER.

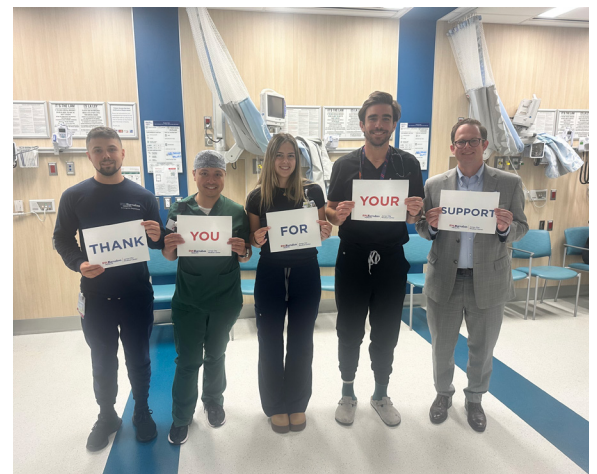

Our community came together to support Jersey City Medical Center, here are some highlights from 2025:

- **Brown Brothers Harriman:** handmade holiday cards for patients in the pediatric emergency department
- **Dickinson High School:** monetary donation to support Oncology Patient Assistance
- **Elena's Art Foundation:** toys for patients in the pediatric Emergency Department
- **Hudson Subaru:** custom blankets and messages of hope to patients receiving chemotherapy and radiation
- **McNair Academic High School Origami Club:** handmade origami creations for our pediatric behavioral health patients
- **McNair Academic High School Student:** handmade crochet items for our patients in the pediatric emergency department
- **Project Linus:** homemade blankets to support pediatric patients in behavioral health, the Emergency Department, the Neonatal Intensive Care Unit and labor & delivery
- **Royal Bank of Canada:** handmade holiday cards for our geriatric patients
- **Sara Gilmore Academy:** handmade Thanksgiving cards for patients and staff in the Pediatric Emergency Room and handmade Christmas & Get-Well cards for patients and staff in the Maternity Wing
- **St. Dominic's Academy:** handmade Valentine's Day and Thanksgiving cards for pediatric behavioral health patients
- **St. Peter's Prep:** homemade Valentine's Day cards for cardiac patients
- **Whole Foods Market:** toys for our pediatric patients in the Emergency Department and essential items such as toiletries and clothing for our adult behavioral health patients

Invest in Excellence

At Jersey City Medical Center, every moment of healing begins with compassion—and the generosity of our donors make it possible. This year, donor support funded specialized training programs for our gastroenterologists, supported our neurosurgery department and emergency department, provided assistance to our patients in need, and upgraded the NICVIEW cameras in our Neonatal Intensive Care Unit—allowing parents and families to connect virtually to the Neonatal Intensive Care Unit and see their baby anytime, from anywhere; helping them find comfort and connection when they need it most.

Donor support ensures our caregivers stay at the forefront of medicine—learning, growing, and giving their very best to every patient who walks through our doors. Together, we are not just funding education and equipment—we are fueling hope, excellence, and a healthier future for every person we serve.

WE MADE AN IMPACT TOGETHER.

Holiday Giving Program

Thank you to all our donors who supported the 2025 Annual Holiday Giving Program. This program supports both the purchase of vouchers for turkeys for our patients and community members in need of a meal during the Thanksgiving Holiday and the purchase of toys/gifts for our patients in need during the holiday season.

In 2025, we were able to provide:

- 1,250 vouchers for turkeys
- 300+ toys for pediatric patients
- 290 gift cards for pediatric behavioral health patients
- 300+ gifts for geriatric patients

On Thursday, December 11th, hospital staff and community volunteers came together to wrap gifts for pediatric patients and their families at Jersey City Medical Center. Every gift wrapped brings a smile to a child's face – reminding them that they are surrounded by care, kindness, and holiday cheer.

Special Events

67th Hudson County STEM Showcase

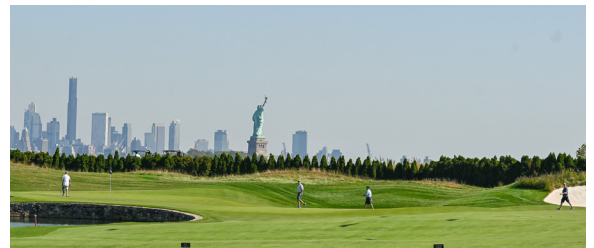

On Monday, March 3rd, Liberty Science Center was filled with innovation and curiosity as it hosted the 67th Hudson County STEM Showcase, presented by JCMC and the Liberty Science Center, where the brightest young scientific minds from across Hudson County demonstrated their achievements. The Showcase welcomed over 500 students and 180 judges from across Hudson County.

28th Annual Golf Classic

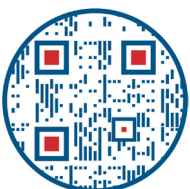

On Monday, October 6th, Jersey City Medical Center hosted its 28th Annual Golf Classic at the stunning Liberty National Golf Course. The sold-out event welcomed hospital vendors, business leaders, community members, hospital leadership, and friends from across Hudson County and beyond for a day filled with camaraderie, purpose, and community spirit.

Together, we raised a record-breaking **\$402,665** in support of JCMC's vital programs and services. The day-of proceeds directly funded the purchase of vouchers for turkeys, helping provide warm holiday meals to 1,250 families in need throughout Jersey City this Thanksgiving.
