

Welcome Back.

# Outpatient Services: Ready for you.

It's safe for you to come back: Don't delay your healthcare.

## Physical Therapy, Occupational Therapy, Speech Therapy and Audiology, Outpatient Testing

Throughout Jersey City Medical Center (JCMC), our number one priority is to keep our patients healthy and safe. We have put several new policies and procedures in place to create a safer environment for everyone. Some of these measures include:

- Adherence to the guidance and established criteria of the Centers for Disease Control and Prevention.
- Stringent cleaning and disinfection throughout our facilities and in all rooms, including equipment and surfaces, frequently and between patients.
- Plexi-glass installed at registration areas.
- Active screening for symptoms of team members, patients and visitors (when permitted) upon entering our facility.
- Requiring everyone who enters a facility to wear a mask or face covering, per CDC universal masking guidelines and our RWJBarnabas Health mask policy.
- Social and physical distancing measures for all people in our facilities - in all employee and patient areas - such as minimizing time in waiting areas, spacing chairs at least 6 feet apart, marking floors with tape at proper intervals and maintaining low patient flow so as not to cause crowding.
- Strict hand hygiene and availability of hand sanitizer in all employee and patient areas.
- COVID-19 screening: Before, and at the time of appointment, patients will be asked about any symptoms they may have related to COVID-19. This includes shortness of breath, fever, loss of taste or smell. Should a patient have a fever, they will be asked to reschedule their appointment when they have had NO Fever for at least 72 hours and without the aid of medication.

# Welcome Back.

## Outpatient Services: Ready for you.

Appointments are now needed for all outpatient services: Physical therapy, occupational therapy, speech therapy and audiology, and outpatient testing. (There is Telemed option for physical, occupational and speech therapy, also by appointment.) We do this to make your visit as safe and comfortable as possible.

- For radiology imaging appointment for X-ray, CT, MRI, Ultrasound or Mammography at the Imaging Center, please call central scheduling at **201-915-2400**
- For cardiovascular imaging at JCMC, please call **201-915-2448**
- For physical and occupational therapy at JCMC Ambulatory Care Center, please call **201-915-2385**
- For speech therapy and audiology at JCMC Ambulatory Care Center, please call **201-915-2720**
- For rehabilitation services at our Newport location, please call **201-448-9895**
