

Cooperman Barnabas Medical Center  
Renal & Pancreas Transplant

As a Medicare-approved kidney and pancreas transplant program, we are required to provide you with our most recent one year patient and graft survival data.

The following information reflects outcomes for patients for the following time period:

**January 1, 2022 and June 30, 2024**

**PEDIATRIC KIDNEY RECIPIENTS**

**% of Kidneys that were working at 1 Year after transplant**

100.00% Estimated % at Cooperman Barnabas Medical Center

97.04% Expected %, as calculated by The Scientific Registry for Transplant Recipients

96.87% National % of all transplant centers

**% of kidney patients who were alive at 1 Year after transplant**

100.00% Estimated % at Cooperman Barnabas Medical Center

99.48% Expected %, as calculated by The Scientific Registry for Transplant Recipients

99.27% National % of all transplant centers

The “expected” calculations take into account the medical background and disease severity of the patients actually and specifically transplanted at Cooperman Barnabas Medical Center during the time period above.
