

Cooperman Barnabas Medical Center  
Renal & Pancreas Transplant

As a Medicare-approved kidney and pancreas transplant program, we are required to provide you with our most recent one year patient and graft survival data.

The following information reflects outcomes for patients for the following time period:

**January 1, 2019 through March 12, 2020 and June 13, 2020 through June 30, 2021**

**ADULT KIDNEY RECIPIENTS**

**% of Kidneys that were working at 1 Year after transplant**

93.21% Estimated % at Cooperman Barnabas Medical Center

94.71% Expected %, as calculated by The Scientific Registry for Transplant Recipients

94.43% National % of all transplant centers

**% of kidney patients who were alive at 1 Year after transplant**

96.37% Estimated % at Cooperman Barnabas Medical Center

96.80% Expected %, as calculated by The Scientific Registry for Transplant Recipients

96.42% National % of all transplant centers

The “expected” calculations take into account the medical background and disease severity of the patients actually and specifically transplanted at Cooperman Barnabas Medical Center during the time period above.

The outcome measures above have been calculated by the Scientific Registry for Transplant Recipients and comply with Medicare’s outcome requirements.

Cooperman Barnabas Medical Center  
Renal & Pancreas Transplant

The following information reflects outcomes for patients for the following time period:
