

RECOGNIZE YOUR CCT/MHA/SCRUB TECHNICIAN

The Lotus Award is an award that recognizes a CCT, MHA, or Scrub Tech that has provided compassionate, patient/family-centered care. The Lotus flower is found to symbolize unity, growth, compassion, and strength.

Our Clinical Care Technicians (CCT's), Mental Health Associates (MHA's), and Scrub Techs (ST's) here at Monmouth Medical Center strive to provide quality driven and safe care that exceeds the expectations of our community. We appreciate your feedback.

Please include a scenario of your "EXTRAORDINARY" experience with a CCT. This will allow us to enhance the experience we deliver as well as celebrate and honor our staff for their compassionate, patient/family-centered care.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
