MONMOUTH MEDICAL CENTER

RECOGNIZE YOUR CCT/MHA/SCRUB TECHNICIAN

The Lotus Award recognizes a CCT, MHA, or Scrub Tech who provides **compassionate, patient and family-centered care**. The Lotus flower symbolizes unity, growth, compassion and strength.

Our Clinical Care Technicians (CCTs), Mental Health Associates (MHAs), and Scrub Techs (STs) here at Monmouth Medical Center are committed to delivering **safe, high-quality care that exceeds expectations**. Help us recognize those who go above and beyond.
