Free Vascular Screening Program

**The Vascular Center
at Newark Beth Israel Medical Center
201 Lyons Avenue, Newark, NJ 07112**

If you are over age 60 and have any of the following conditions:

- High blood pressure
- High cholesterol
- Smoking
- Diabetes
- Family history of vascular disease
- Previous heart or leg treatments
- Prior stroke

You may be at high risk for vascular diseases such as abdominal aortic aneurysms, carotid artery disease, and peripheral vascular disease, which cause death or disability to countless Americans each year.

**Registration is required.
Please call 973-926-7591
to schedule your appointment.**
