        Laptop requirement for Fall 2024

Please be advised that as a student in the NURE classes beginning the fall semester 2024/spring 2025, <u>you are required to have a laptop computer with systems requirements</u> noted below so you can:

- access all course material from anywhere.

- submit clinical and class assignments.

- Take course exams administered with Examsoft software, ***Examplify***.

Students are strongly encouraged to review the information below to ensure that their laptops meet the requirements for computerized testing.

Note:

- ***Examplify*** will not run on Chromebooks, Android, or Linux operating systems •

Examplify does not support touchscreen input on Mac or Windows laptops •

School of Nursing does **NOT** allow the use of an iPad
