

**RWJBarnabas Health School of Nursing
Re Entry CLINICAL REQUIREMENTS
First Clinical Course NURE 106 and NURE 214**

Please use the following information as a guide to assist you in completing your clinical requirements. All must be submitted through CastleBranch - DISA Healthcare Company. **All must be completed to allow on-time registration. NO EXCEPTIONS.** Documents must be uploaded and approved by due date to qualify for on-time registration. Castle Branch and RWJBarnabas Health School of Nursing Administration needs time to verify all students' individual requirements.

Read carefully!!

Why complete by due date or before?

Administration needs time to view all students CastleBranch records to clear each student for registration. Students who do not complete all required clinical requirements by due date will not be eligible to register on posted registration date for their course sections. Registration will be delayed until all requirements are met. Late registration limits your available clinical and lecture sections.

**Why are the clinical requirements mandated by
RWJBarnabas Health School of Nursing?**

The School of Nursing has contractual agreements with all clinical sites. These sites require all clinical requirements to be met by students prior to the start of clinical. Clinical experiences are mandatory for program completion and the success of nursing students. Unmet clinical requirements incurred by students can affect our contractual agreements and cause the contractual agreement to be forfeited.

How do I begin?

1) CastleBranch Compliance Tracker

<https://portal.castlebranch.com/IW34/package-selection>

Use the same tracker you purchased for NURE 105 and NURE 213.

2) Purchase your CastleBranch Drug Test (must be done if not done initially for NURE 106/214 or if you have skipped a semester)

***must be current, not done prior to December 1 (Spring registration)
or May 1 (Fall registration)**

THIS IS A REVISED PROCESS, WHICH SHOULD BE IN EFFECT BY 12/1/25

Select **IW34zdt: Drug Test** (pay fee).

- Drug Test Package payment/registration is through CastleBranch.
- Within 24 hours, the Drug Testing Team from CastleBranch will upload the eCCF form to your To-Do List
- Download form and take to your local Quest Diagnostics collection site, among the listed sites sent to you, ONLY.

First Clinical Course NURE 106 and NURE 214

- Present the eCCF form at the testing site to complete your screening.
- Drug test results should be transmitted to your portal within 2-6 business days
- Results must be “negative” for all substances

3) Purchase your CastleBranch Background Check (must be done if not done initially for NURE 106/214 or if you have skipped a semester)

***must be current, not done prior to December 1 (Spring Registration) or May 1 (Fall Registration)**

Select appropriate Background check package, based upon state you currently reside and if you have lived outside of that state: (fee based upon selection).

Choose the one that fits:

- **IW34NJ** (live in NJ only)
- **IW34NJout** (currently live in NJ, but have lived in other states)
- **IW34NY** (currently live in NY only)
- **IW34NYout** (currently live in NY, but have lived in other states)
- **IW34 PA** (currently live in PA only)
- **IW34 PAout** (currently live in PA, but have lived in other states)
- Follow screen prompts to create a profile, username, and password. Place order with payment information.
- You will receive a confirmation of payment.
- All students must obtain a repeated background check prior to NURE 208.
 - Results must be “no record found”.

How do I complete the other clinical requirements in my current Tracker?
