New Research Studies Approved by IRB for 2017

PI/Co-Investigators	Study Title
D. Devito, R. Zhao ,A. Rianto P. Patel, D. Levin, S. Cohen K. Zavotsky ,S. Elliott ,P. Rich, & C. Barber	Comparative Study on Intravenous Catheter Insertion Pain control, Anxiety, and Satisfaction in Adult Same Day Surgery Patient; Using a Vibrating, Cold Device or Traditional Local Anesthetics Intradermal Injection
O. Calo & K. Zavotsky	Perceived Knowledge of Diabetes Care versus actual knowledge in hospital nurses
T. Ryan, C. Prall & K. Zavotsky	Perceived Knowledge of Diabetes Care versus actual knowledge in hospital nurses
J. Cagliostro	Exploring the relationship between diabetes knowledge and perceived knowledge in staff nurses in acute care hospitals
J. Urbanowicz & K. Zavotsky	The relationship between resilience and coping in hospital nurses
J. Urbanowicz, K. Zavotsky & S. Janas	The relationship between moral distress and coping among operating room nurses in an acute care hospital environment.
S. Gallina & N. Castro	The Effects of Aromatherapy Using True Lavender to Decrease Pre-procedure Anxiety / Distress
R. Gonzalez, D. Forde, A. Paterson, P. O'Brien Barry & M. Clyne	Quiet Time Initiative: Does the institution of a one hour quiet time decrease the "As needed" sleep medication for the in-voluntary behavioral patient?
S. Murray, R. Ramos, D. Prete, & K. Zavotsky	Perceived Knowledge of Diabetes Care versus actual knowledge in hospital nurses
D. Prete, L. Tamburri & N. Rolston	"Use of Simulation To Enhance Healthcare Providers' Empathy"
J. Guevarra	Perceptions of Advanced Practice Nurses by Registered Nurses in an Acute Care Hospital Setting
K. Pascual, R. Camarda, A. Daly, N. Doherty, S. Gutierrez, P. Roxbury, H. Shah, K Smith, K. Wilson, & K. Zavotsky	"Effects of Aromatherapy on Pain in Total Hip and Total Knee Arthroplasty"

2017 The Center for Professional Development,
Innovation and Research
Professional Accomplishments

J. Candela, D. Laurie, M. Rettino & K. Zavotsky	Exploring the relationship between diabetes knowledge and perceived knowledge in staff nurses working in acute care hospitals.
G. Cudia	Perinatal Education: How generational learning styles affect education regarding childbirth and newborn care
A.Trinidad	“Examining Compassion Fatigue and Burnout Among Nurses in the Adult Critical Care Setting”
B. Reisinger	“The Use of Dextrose Gel in Newborn Infants at Risk for Hypoglycemia”
D. Gerhab, K. McKeivitt, D. Van Dyke & K. Zavotsky	Exploring the benefits of a structured hands-on skin and wound care education session with new graduates and their caregiver confidence
M. Rodricks, J. Hanna, G. Harrison, C. Adams, S. Mahler, J. Mujia, & K. Zavotsky	“Utilization of a comprehensive ventilator liberation strategy to markedly reduce ventilator length of stay and improve quality outcomes”
J. Candela & D. Laurie	“Exploring the Relationship between Moral Distress & Coping Among Operating Room Nurses in an Acute Care Hospital Environment”
N. Jones, C. Prall & K. Zavotsky	ICU Nurses’ Perceptions of VAP Interventions and their Impact on Practice and a VAP Free Culture.
D. Prete, M.Bridgeman, M. Sturgill, D. Abazia, L. Tamburri, N.Rolston, J. Aloï J.Jones	“Use of simulation To Enhance Healthcare Providers’ Empathy and Understanding of Geriatric Loss
J.Jones	Implementation of an Evidence Based Alcohol Withdrawal Protocol on Trauma Patients, 4/8/17
C. Garzon-Rivera	Assess the Predictive Value of the John Hopkins Fall risk Assessment Tool and the Wilson Sims Fall Risk Assessment Tool in a Psychiatric Inpatient Unit, 5/8/17
E.Samuel	The Influence of a Nursing Residency and Baccalaureate curriculum on critical thinking and clinical decision making in diverse associate doctorate nursing students, 6/8/17
M. LaForgia	Exploring the antecedent to falls and early mobility, 6/8/17
M. Bernardo	Risk Stratification Using the TIMI Score versus HEART Score in Patients, 6/12/17

2017 The Center for Professional Development,
Innovation and Research
Professional Accomplishments

B. Hall	The Impact of Social Determinants on End of Life Care Planning, 10/23/17
W. Lester	Exploring relationships between social determinants of health and their impact on Hudson County, NJ patients' likelihood to be readmitted to an acute care hospital within 30 days of discharge, 11/3/17
C. Prall, L. Glenn, & K. Zavotsky	Exploring the relationship between Health Literacy and Hope in Outpatient Cancer Patients
J. Gomez-Diaz, C. Prall & K. Zavotsky	The relationship between moral distress and coping among operating room nurses in an acute care hospital environment.

Community Service Activities

Name	Activity
Marie Andreen	Went on a medical mission to Haiti this month where she spent a week helping to build a clean water system. Presentation
Margaret Ryan	WAVE Van - Wellness Assessment Van for Elders. Community: BP , Vital statistics, & HRA -Health risk assessments, Diabetic Counseling
Danilo Bolima	Enhanced Patient-Centered Educational Program for HF Self-Care Management in Sub-Acute Settings Ma. Christina V. Gonzaga ANP-BC DNP candidate – Rutgers University IRB
Kathleen Zavotsky	Saint Vincent DePaul Society; Ozamen Homeless Shelter
Myrna Young	Committee Executive Leadership Team - raise funds for the March of Dimes research initiatives, etc
Leslie Wright-Brown	Through her participation in Rutgers School of Nursing 2016-2017 Minority Nurse Leadership Institute, a 6-week health promotion program was initiated in collaboration with a grant-funded program called “LaVida.”Members of the Hispanic community in West Orange partnered with the medical center’s Community Education Department to engage & empower individuals in self-care & awareness. Their requested topics included diabetes, reading food labels, glucose, cholesterol, triglyceride screening, & healthy eating choices etc.
Stephanie Murray	Volunteered teaching Cardiology at CINJ
Myrna Young	March of Dimes Nurse of the Year, 2017 Committee member
Kathleen Zavotsky	Board of Trustee: Stuart Country Day School of the Sacred Heart, Princeton, NJ
Cynthia Douyon-Marconi	Somerville, HS honor students enrolled on Science Academy Program, Presented “Perioperative Nursing”, May 2017
Oriana Calo	Cardiac and Concussion Screening, Feb 2017, RWJUH Somerset Medical Center
Suzanne Gregory	March of Dimes Nurse of the Year, Nominating Committee

2017 The Center for Professional Development,
Innovation and Research
Professional Accomplishments

Jodi Castiglia	“Taking Care of Cancer patients” to a group of EMT Juniors in July 2017
Oriana Calo, Kathleen Wilson	Blood Pressure screening at the 4-h fair, August 2017
Oriana Calo, Kathleen Wilson	Fair Hills Race volunteer, October 2017
Jodie Castiglia	“Doctors of Tomorrow” at the Somerset campus-December 2017.
Cindy Russo	American Heart Association Volunteer
Myrna Young	Member Filipina Women’s Network, Global Organization
Myrna Young	Volunteered With Northern Trust on US Golf Tournament - Fedex Cup Play off - money donated to red Cross for Hurricane Harvey Victims Northern Trust Bank - Glenn Oaks Club, Westbury, New York
Adriana Senatore	TNCC Instructor
Cindy Basile	Adjunct Faculty, Monmouth University, Graduate Nursing Program
Cindy Basile	Member of Rutgers MS in Healthcare Administration program-Advisory Board

2017 The Center for Professional Development,
Innovation and Research
Professional Accomplishments

Academic Accomplishments

Name	Degree	University
Angela Brathovde	Psychiatric mental health clinical adjunct professor	Monmouth University BSN program
Danielle Hilliard	Pediatric clinical adjunct professor	NJCU BSN program
Janet Urbanowicz	Adjunct professor for the DNP Leadership track	Monmouth University
Lynne Clemons	Completed the Wound portion of her WOCN training program	Emory University
Alberto Rodriguez	MSN, Family Practice	Felician College
Peggy McGowan	MSN, Nursing Education	Drexel University
Georgia Harrison	DNP in Nursing Leadership	Rutgers University
Cheryl Prall	Advanced Nurse Executive Certification	American Nurses Credentialing Center
Ashley Mickiewicz	Obtained AOCNS certification (Advanced Oncology Certified Clinical Nurse Specialist)	Oncology Nurses Credentialing Center
