

The DAISY Award for Extraordinary Nurses Nomination Form

The DAISY Award for Extraordinary Nurses is an international recognition program established in memory of J. Patrick Barnes. During Pat's illness, his family experienced firsthand the profound impact nurses can have through their clinical expertise, compassionate care, and unwavering dedication. In his honor, the Barnes family created The DAISY Award to recognize and celebrate the extraordinary nurses who make a meaningful difference in the lives of patients, families, and colleagues.

We invite you to share your story and recognize a nurse who provided exceptional care, demonstrated compassion, or went above and beyond to make a difference in your healthcare experience or the experience of someone you know.

Nominee Information

1. Name of the clinical nurse you are nominating: _____
2. Organization or department where this nurse works: _____
