

A one-of-a-kind orientation model found only at New Jersey's largest and most comprehensive academic health system.

INTRODUCING THE

Nursing Orientation Unit for RN Integration, Support & Health (NOURISH™)

Part of The Institute for Nursing Excellence's Center for Professional Development, Innovation and Research

New nurses will participate in a unique orientation model focused on:

- Supportive teaching and learning with a dedicated Nursing Professional Development (NPD) Practitioner
- Opportunity to work closely with peer nursing graduates and nursing leadership
- Bolstering skills to transition to practice and practice readiness
- Clinical experiences to build competence and confidence
- Tailored learning experiences based on needs
