

***The Center for Professional Development,
Innovation and Research***

2022 Educational Offerings

At RWJ Barnabas Health, the value that is placed on developing and supporting our professional nurses through education is unprecedented. We are constantly creating innovative ways to help educate our staff to ensure that outcomes and safety are always the priority. Our exceptional nursing practice is based upon providing structural empowerment for patient-family centered care, shared decision-making, autonomy, and clinical excellence. None of this wonderful work could be done without education, professional development and the support of our staff from The Center for Professional Development, Innovation and Research.

We know that as you review this catalog of educational offerings across the system, you will find many ways to give a voice to your ideals, to strive for personal, professional, and academic excellence. It is through your participation in these educational programs that will enable us to exceed our reputation as one of the most innovative and successful health care systems in the country.

Nancy Holecek MAS, MHA, BSN, RN
Executive Vice President and Chief Nursing Officer
RWJBarnabas Health

Visiting Professor Felician University

The Center for Professional Development, Innovation and Research at RWJBarnabas Health is dedicated to ensuring that members of the health care team have the resources to excel in this increasingly complex and challenging health care environment. We offer orientation programs, in- service education, simulation, continuing education, leadership development classes and clinical skills validation across all of the specialties. We believe that excellence is possible through ongoing education, professional development and training.

Our team is highly skilled and knowledgeable. They are committed to providing ongoing opportunities to practice, learn and grow professionally.

This catalog highlights some of the courses that will be offered in 2022 across the health system. For additional education, professional development opportunities, please contact The Center for Professional Development, Innovation & Research at your facility.

Mary Beth Russell PhD, MA, RN, NPD-BC, NEA-BC
Certificate Holder in Just Culture

Vice President

The Center for Professional Development, Innovation and Research is committed to contributing toward the development of all staff in the provision of safe, competent and quality patient care by presenting educational activities that enhance clinical knowledge and skills. We extend to you the invitation to continue to grow in your career, and to take full advantage of these opportunities to be an active participant in the learning process.

Contact hours will be provided as appropriate for each course.

Registration:

You will be able to register for most classes through NetLearning, HealthStream, Survey Monkey and/or by contacting the course instructor (please read the course details for instructions). ***Please note: classes are subject to change or cancellation.*** If you would like additional information about a course, or to register, please do one of the following: refer to your hospital specific Nursing Education intranet page; contact your Clinical Nurse Specialist/Clinical Nurse Educator, or contact the Course Instructor. All educator phone numbers and email addresses are on the Hospital contact pages (pages 5-15) of this program book.

Courses that require a fee for non-employees can be paid by contacting the person that accompanies the course in this program book. Below are the fee schedules for courses that **non-employees** can attend:

Half-Day Course Prices:

RWJBH Employees and Student Cost: No charge

NJ Consortium of Educators: \$35.00/day All Others: \$75.00/day

Full Day Course Prices:

RWJBH Employees and Student Cost: No charge

NJ Consortium of Educators: \$75.00/day All Others: \$125.00/day

Please reach out to the Center for Professional Development, Innovation & Research or the Nursing Education Department at your respective facilities for further questions about courses, programs and educational opportunities.

ANCILLARY STAFF EDUCATION

Ancillary Preceptor Course

<u>Course Objective:</u>	To provide staff with the knowledge and tools to function effectively in the preceptor role and provide a positive orientation experience for new patient care associate staff.
<u>Target Audience:</u>	Ancillary staff (with at least 6 months experience)
<u>Date(s):</u>	TBD
<u>Time(s):</u>	TBD
<u>Location(s):</u>	Robert Wood Johnson University Hospital, New Brunswick, NJ East Tower Training Suite
<u>Instructor(s):</u>	Myrna Young MSN, RN, CNOR; Donna Prete MSN, RN-BC, NE-BC
<u>Contact Information for Course/Program Facilitator:</u>	Donna Prete MSN, RN-BC, NE-BC Donna.Prete2@rwjbh.org
<u>Registration instructions:</u>	TBD

Nursing Assistant Preceptor Course

<u>Course Objective:</u>	To equip the registered nurse with the necessary tools, communication skills, and knowledge required to be an effective preceptor.
<u>Target Audience:</u>	Nursing Assistants, Clinical Care Technicians
<u>Date(s):</u>	Tuesday, January 26; Tuesday, April 27; Tuesday, July 27; Tuesday, October 26
<u>Time(s):</u>	8:30 am – 4:30 pm
<u>Location(s):</u>	RWJUH Rahway, 865 Stone Street, Rahway, NJ 07065
<u>Instructor(s):</u>	Frances Mal DMH, RN, NPD-BC; Veronica Jones MSN, RN
<u>Contact Information for Course/Program Facilitator:</u>	Frances.Mal@rwjbh.org
<u>Registration instructions:</u>	Contact Donna Owens, Donna.Owens@rwjbh.org or 732-499-6074

BEHAVIORAL HEALTH COURSES

Behavioral Emergency Safety Team Training (BEST)

<u>Course Objective:</u>	To discuss the purpose of the Behavioral Emergency Safety Team (BEST); review De-escalation techniques, personal defense and escape techniques for patients experiencing a mental health crisis.
<u>Target Audience:</u>	RNs, LPNs, MHAs, PCAs, SWs, AJTs, LIPs, Security, Screeners, and any other employees interested to learn de-escalation techniques.
<u>Date(s):</u>	See Dates in the Table below
<u>Time(s):</u>	Varies
<u>Location(s):</u>	RWJ Barnabas Behavioral Health Center BHBHC / Classroom D
<u>Instructor(s):</u>	Nursing Education Educators; Security Dept. educators
<u>Registration instructions:</u>	NetLearning, Health Stream

Individual hospitals within the RWJBarnabas Health network may also schedule their own Handle with Care/BEST training classes. Please check the Center for Professional Development, Innovation and Research Department within the Hospital Facility where you work or where you wish to take the class.

Care of the Patient with Actual or Potential Substance Abuse Disorders

Course Objective: This course is designed to review the clinical manifestation of Substance Abuse and treatment recommendations. This course also reviews the AUDIT tool and the timeframes for assessment. Two contact hours are provided for RNs.

Target Audience: Registered Nurses

Date(s): Check Trinity Regional Medical Center Course Flyer

Time(s): Check Trinity Regional Medical Center Course Flyer

Location(s): Trinitas Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus

Instructor(s): The Department of Education, Training and Development

Registration instructions: Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

CERTIFICATION REVIEW COURSES

2 Day Inpatient OB Certification Review Course

Course Objective: To provide a review course to prepare nurses to take the national certification in patient OB nursing.

Target Audience: Labor and Delivery nurses wishing to take the NCC certification exam.

Date(s): May 23 and May 24, 2022

Time(s): 8:00am-4:00pm

Location(s): Virtual

Instructor(s): Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB

Contact Information for Course/Program Facilitator: Michelle.Dickerson@rwjbh.org

2 Day Maternal Newborn Certification Review Course

Course Objective: To provide a review course to prepare nurses to take the national certification in maternal newborn nursing.

Target Audience: Maternal Newborn nurses wishing to take the NCC certification exam.

Date(s): June 22 and June 23, 2022

Time(s): 8:00am-4:00pm

Location(s): Virtual

Instructor(s): Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB

Contact Information for Course/Program Facilitator: Michelle.Dickerson@rwjbh.org

CCRN Review (2-day course)

Course Objective: To review content and prepare PICU nurses to sit for the CCRN exam.

Target Audience: Nurses who plan to take the Pediatric CCRN exam

Date(s): June 7 & 14, 2022 (2-day course)

Time(s): 7:00am-5:00pm

Location(s): Newark Beth Israel, D1 Classroom

Instructor(s): Cheryle Aizley, APN and Emily Yates, APN

Contact Information for Course/Program Facilitator: Cheryl.Aizley@rwjbh.org

Registration instructions: Net Learning

CPN Exam Review

Course Objective: To review content to prepare to sit for the Pediatric Nursing Certification exam.

Target Audience: Nurses who plan to take the CPN Exam Review

Date(s): Tuesday, April 26; and Wednesday, April 27 (2-day course)

Time(s): 8:00am – 4:00pm

Location(s): Newark Beth Israel, D1 Classroom

Instructor(s): Cheryle Aizley, APN and Emily Yates, APN

Contact Information for Course/Program Facilitator: Emily.Yates@rwjbh.org

Registration instructions: Net Learning

Medical Surgical RN Certification Review Course (2 Day-course)

<u>Course Objective:</u>	To facilitate preparation for Medical Surgical RN Certification by providing an overview of certification option, exam requirements, sample test questions for each exam, and test taking strategies.
<u>Target Audience:</u>	Registered Nurses; RWJBH Employees only
<u>Date(s):</u>	Wednesday, March 23 (Day 1); and Wednesday, March 30 (Day 2) Wednesday, October 19 (Day 1); and Wednesday, October 26 (Day 2)
<u>Time(s):</u>	8:00am-4:00pm
<u>Location(s):</u>	Jersey City Medical Center, 350 Montgomery Street, Jersey City, NJ Education Department (Park at Main Hospital and take shuttle to Museum)
<u>Instructor(s):</u>	Catherine Manza, MSN, B.Ed., RN, GRN
<u>Registration instructions:</u>	Please email and register with: Justin.Loo@rwjbh.org

Oncology Certification Review Course

<u>Course Objective:</u>	Review for OCN Certification Examination
<u>Target Audience:</u>	RNs
<u>Date(s):</u>	TBD
<u>Time(s):</u>	TBD
<u>Location(s):</u>	Virtual Program/Rutgers Cancer Institute of New Jersey
<u>Instructor(s):</u>	Multiple
<u>Contact Information for Course/Program Facilitator:</u>	Raquel Lozada
<u>Registration instructions:</u>	http://www.cinj.org/education/oncology-nursing-events
<u>Additional information:</u>	TBD

Orthopedic Certification Review Course

Course Objective: To prepare RNs to take the Orthopedic Certification exam.

Target Audience: All RNs

Date(s): Thursday, February 17; and Wednesday, November 30

Time(s): 8:00am-4:00pm

Location(s): 350 Montgomery St., Jersey City, NJ 07302
Park at Main Hospital and take shuttle to Museum

Instructor(s): Kathleen Ansay, MSN, RN, ONC

Contact Information for Course/Program Facilitator: Justin.Loo@rwjbh.org

Registration instructions: Email, Justin.Loo@rwjbh.org

CONFERENCE/SYMPOSIUM

2022 Annual Pediatric Nursing Collaborative Conference

Course Objective: To discuss current trends in caring for the pediatric patient.

Target Audience: All staff caring for pediatric patients (RWJBH and non-employees)

Date(s): Thursday, April 28, 2022

Time(s): 8:30am-1:00pm

Location(s): Virtual

Instructor(s): RWJBH Pediatric Educators

Contact Information for Course/Program Facilitator: Gail.Cudia@rwjbh.org

Registration instructions: Survey Monkey registration link to be distributed.

2022 Annual Nursing Research Day Symposium

Course Objective: To showcase current nursing research studies being performed at Robert Wood Johnson Barnabas Health, to highlight our innovative practice and review the basic principles of research.

Target Audience: All staff caring for pediatric patients (RWJBH and non-employees)

Date(s): November 11, 2022

Time(s): 8:00am-1:00pm

Location(s): Virtual

Contact Information for Course/Program Facilitator: MaryBeth.Russell@rwjbh.org

Registration instructions: Survey Monkey registration link to be distributed as event gets closer.

Hot Topics in Pediatric Nursing

Course Objective: The audience will have up to date knowledge on new trends in pediatrics.

Target Audience: Nurses, physicians, NP's, school nurses caring for the pediatric population

Date(s): Thursday, April 22, 2022

Time(s): TBD

Location(s): Monmouth Medical Center (Virtual)

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Gail.Cudia@rwjbh.org

Registration instructions: TBD

2022 Ostomy Symposium

Course Objective: Participants will understand the principles of ostomy care, assessment, treatment and patient education.

Target Audience: RWJBH RN's adults and pediatrics

Date(s): TBD

Time(s): TBD

Location(s): TBD

Instructor(s): Sandra Johansen RN, BSN CWON & Kimberly McKevitt BSN, RN, CWON

Registration instructions: NetLearning for all RWJBH employees, all others, email:
Sandra.Johansen@rwjbh.org or Kimberly.McKevitt2@rwjbh.org

2022 Pressure Injury Symposium

Course Objective: Participants will understand the principles of pressure injury prevention, assessment, and treatment.

Target Audience: RWJBH RN's adults and pediatrics

Date(s): TBD

Time(s): TBD

Location(s): TBD

Instructor(s): Sandra Johansen RN, BSN CWON & Kimberly McKevitt BSN, RN, CWON

Registration instructions: NetLearning for all RWJBH employees, all others, email: Sandra.Johansen@rwjbh.org or Kimberly.McKevitt2@rwjbh.org

Lois Pollack Pediatric Conference: Pediatric Potluck

Course Objective: To provide education on various pediatric topics.

Target Audience: Nurses caring for pediatric patients.

Date(s): October 2022

Time(s): TBD

Location(s): TBD

Instructor(s): Lisa Laws MSN, RN, RNC-NIC, NNP-BC;
Rebecca Ramos, MS, RN-BC

Contact Information for Course/Program Facilitator: Lisa.Laws2@rwjbh.org
Rebecca.Ramos@rwjbh.org

Registration instructions: TBD

RWJBH Stroke Collaborative Nursing Symposium

Course Objective: Review latest updates on advances in stroke care continuum.

Target Audience: APPs, Nurses, Rehab PT/OT/SLP, EMT, SW, Pharmacists

Date(s): May 2022

Time(s): TBD

Location(s): Venue TBD or Webex

Instructor(s): Multiple presenters

Contact Information for Course/Program Facilitator: Florence.Chukwuneke@rwjbh.org or call: 908-442-6555

Registration instructions: Event or other platform.

Stroke Rotational Lecture Series

Course Objective: To educate nurses and allied healthcare providers on latest update in stroke care.

Target Audience: Nurses, PT/OT/SLP, EMT, SW, Pharmacists, APN

Date(s): TBD

Time(s): TBD

Location(s): CAB Classroom or Webex

Instructor(s): Multiple presenters

Contact Information for Course/Program Facilitator: Florence.Chukwuneke@rwjbh.org or call: 908-442-6555

Registration instructions: Email or HealthStream

Additional information: Venue may change

CRITICAL CARE***Basic Cardiac Rhythm Course (2 Day Course)***

Course Objective: Participants will be able to obtain knowledge regarding cardiac rhythm interpretation.

Target Audience: Critical Care RNs (ICU, Emergency Department, & Telemetry)

Date(s): **2022 Dates:**
January 18 and 25—Exam February 1; February 22 and 28—Exam March 7;
March 22 and 29—Exam April 4; April 19 and 26—Exam May 2;
May 17 and 24—Exam May 31; June 21 and 28; Exam July 6
July 19 and 26—Exam August 1; September 20 and 27—Exam October 3;
October 18 and 25—Exam November 1; November 22 and 29—Exam December 5;
December 20 and 27—Exam January 2

Time(s): 8:00am-4:00pm

Location(s): Clara Maass Medical Center, 50 Newark Ave, Bellville, NJ
Education Classroom

Instructor(s): Roxana Gonzalez MSN, RN-CCRN

Registration instructions: Email: Roxana.Gonzalez@rwjbh.org or call 973-450-2715

Basic Cardiac Rhythm Interpretation

Course Objective: The course is designed to assist the Registered Nurse in the identification of cardiac rhythms and review the American Heart Association recommended interventions. This course is recommended prior to scheduling for PALS and/or ACLS. This course provides 16 contact hours for Registered Nurses.

Target Audience: All Registered Nurses

Date(s): Check Trinity Regional Medical Center Course Flyer

Time(s): Check Trinity Regional Medical Center Course Flyer

Location(s): Trinitas Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus

Instructor(s): The Department of Education, Training and Development staff

Registration instructions: Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

Building Blocks of Perinatal Critical Care

Course Objective: To provide current evidence-based education regarding nursing care of the complex perinatal patient.

Target Audience: Labor and Delivery, Antepartum, and Critical Care Nurses

Date(s): TBD

Time(s): TBD

Location(s): 2 Crescent Place, Oceanport, NJ 07757

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Susan.Urbaneck@rwjbh.org or 732-557-8000, Ext. 11534

Critical Care Course Day 1: Cardiac

Course Objective: Participants in this activity will gain knowledge regarding cardiac assessment and functions as well as ischemia, infarction, valvular disease, cardiomyopathy, heart failure and indications for pacemakers, implantable cardiac defibrillator and pharmacology.

Target Audience: Critical Care RN

Date(s): 2022 Dates:
January 11; March 8; May 3; July 5; September 6; November 8

Time(s): 8:00am-4:15pm

Location(s): Virtual Course
Clara Maass Medical Center, Belleville, NJ

Instructor(s): Roxana Gonzalez MSN, RN-CCRN,

Contact Information for Course/Program Facilitator: Roxana Gonzalez MSN, RN-CCRN

Registration instructions: Email: Roxana.Gonzalez@rwjbh.org or call (973) 450-2715

Critical Care Course Day 2: Pulmonary

Course Objective: Learners will demonstrate increased knowledge of evidence-based practice in the critical care setting of the treatment protocols for patients with complex pulmonary disorders.

Target Audience: RNs new to the critical care environment

Date(s): 2022 Dates:
January 18; March 15; May 10; July 12; September 13; November 15

Time(s): 8:00a – 4:15p

Location(s): Cooperman Barnabas Medical Center, Livingston, NJ, Conference Room 3130

Instructor(s): Marc Monteith MS, RN, APN-C, CCRN, Marc.Monteith@rwjbh.org

Contact Information for Course/Program Facilitator: Marc Monteith, (201) 915-2307

Registration Instructions: Contact program facilitator with name, ID#, facility, unit, cell phone and personal email

Critical Care Course Day 3: Hemodynamics

Course Objective: To provide the learner with critical care knowledge related to hemodynamics.

Target Audience: RNs working in the critical care environment

Date(s): 2022 Dates:
Jan 25; Mar 23; May 17; July 19; Sept 20; Nov 22

Time(s): 8:00a – 4:15p

Location(s): Newark Beth Israel Medical Center, Newark, NJ
Parsonnet Auditorium

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Contact Katherine Waldo, (862) 763-0009
Katherine.Waldo@rwjbh.org

Registration instructions: TBD

Additional information: Day 3 out of a 5-day course. Multi-organization course.

Critical Care Course Day 4: Neuro/Endocrine/Hematology

Course Objective: To provide the learner with critical care knowledge related to the neuro, endocrine and hematology system.

Target Audience: RNs working in the critical care environment

Date(s): 2022 Dates:
February 1; March 29; May 24; July 26; September 27; November 29

Time(s): 8:00a – 4:15p

Location(s): TBD

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Contact Heidi Wiertzema, (973) 322-9820

Registration instructions: TBD

Additional information: Day 4 out of a 5-day course. Multi-organization course.

Critical Care Course Day 5: GI/Renal

Course Objective: To provide the learner with critical care knowledge related to the GI & Renal system.

Target Audience: RNs working in the critical care environment

Date(s): February 8; April 5; May 31; August 2; Oct 4; Dec 6

Time(s): 8:00a – 4:15p

Location(s): Robert Wood Johnson University Hospital Rahway, Rahway, NJ

Instructor(s): Veronica Jones MSN, RN

Contact Information for Course/Program Facilitator: Veronica Jones, (732) 499-6226

Registration instructions: Email: Veronica.Jones@rwjbh.org

Additional information: Day 5 out of a 5-day course. Multi-organization course.

CRRT New User Class

Course Objective: Understand the Basic Principles of CRRT. Gain an understanding of the overview of the Prismaflex machine. Demonstrate how to set up the machine, initiate therapy, troubleshooting alarms, ending treatment, and returning the patient's blood.

Target Audience: All Critical Care Nurses (NCU, SICE, CCU, CVICU, MICU, Critical Care Float Pool)

Date(s): 2022 Dates:
February 3, April 11; June 1; August 12; October 10; December 1

Time(s): 8:00am-3:00pm

Location(s): RWJBH- New Brunswick Training Center; 8 East Tower, Sim Lab OR room and 823

Instructor(s): Sandia Royal, Jennifer Cruz and Jim Mulholland (Gambro representative)

Contact Information for Course/Program Facilitator: Sandia Royal 732-427-2160 and Jennifer Cruz 732-258-9783

Registration instructions: HealthStream

Additional information: Students complete pre-requisite assignments online prior to attending class. Certificates must be presented on day of class prior to starting class.

2022 CRRT Course

Course Objective: To educate critical care nurses on the principles and practice of continuous renal therapy in the critically ill patient.

Target Audience: All Critical Care Nurses

Date(s): TBD

Time(s): TBD

Location(s): TBD

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Nursing Education 973-322-9820

Registration instructions: TBD

Critical Care Orientation

Course Objective: Five-day comprehensive orientation with didactic and simulation/hands on with devices. Students are required to complete pre-requisite assignments prior to each day focusing on topics being discussed (ex: NIHSS for stroke; Hemodynamics for cardiac). Students are also assigned homework to be completed by the end of their orientation period.

Target Audience: New nurses hired into critical care without critical care experience.

Date(s): TBD

Time(s): 8:00a-4:30p

Location(s): RWJBH- New Brunswick Training Center; 8 East Tower

Instructor(s): Sandia Royal

Contact Information for Course/Program Facilitator: Sandia.Royal@rwjbh.org or call 732-427-2160

Registration instructions: HealthStream

Additional information: Orientee names are submitted by unit directors and then entered into HealthStream and assignments are populated to the students.

2022 Flo Trac Course

Course Objective: To educate critical care nurses on the principles and practice of Flo Trac in the critically ill patient.

Target Audience: All Critical Care Nurses

Date(s): TBD

Time(s): TBD

Location(s): CBMC; Cooperman Family Pavilion Room W336G

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Nursing Education 973-322-9820

Registration instructions: TBD

2022 IABP Hands On

Course Objective: To review the IABP machine, settings, indications and contraindications of therapy. Review nursing responsibilities, guidelines, and hospital policy of managing a patient on an IABP.

Target Audience: Critical Care Nurses in CCU, CVICU, Critical Care Float Pool

Date(s): TBD

Time(s): TBD

Location(s): RWJBH New Brunswick Training Center; Sim Lab 8 East Tower OR Room

Instructor(s): Sandia Royal and Dennis Gallucci (Getinge Representative)

Contact Information for Course/Program Facilitator: Sandia.Royal@rwjbh.org

Registration instructions: HealthStream or Contact Sandia

Additional information: Students complete a 3 hours webinar provided by Getinge prior to attending the hands-on portion and must bring a copy of the certificate with them to proven completion of the course.

2022 IABP Course

Course Objective: To understand the rationale, mechanics, nursing responsibilities and care of the patient with an intra-aortic balloon pump (IABP) to decrease myocardial oxygen demand and increase myocardial oxygen supply.

Target Audience: All Critical Care Nurses

Date(s): TBD

Time(s): TBD

Location(s): CBMC; Nursing Education Classroom 3130

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Nursing Education 973-322-9820

Registration instructions: TBD

Ventilator Management Theory Course (1 Day plus clinical competency & exam)

Course Objective: Participants will demonstrate knowledge regarding ventilator management therapy.

Target Audience: Critical Care Nurses

Date(s): March 17—Exam March 18; October 20—Exam March 21

Time(s): 8:00am-4:00p

Location(s): Clara Maass Medical Center, Belleville, NJ
ICU Conference Room

Instructor(s): Roxana Gonzalez MSN, RN-CCRN

Contact Information for Course/Program Facilitator: Roxana Gonzalez MSN, RN-CCRN
(973) 450-2715

Registration instructions: Email: Roxana.Gonzalez@rwjbh.org, or call 973-450-2715

DISASTER PREPAREDNESS/EMERGENCY RESPONSE

Autism Awareness for Emergency Services (AWR-933-V19)

<u>Course Objective:</u>	Participants will discuss the behavioral complications of autistic adults and children during emergency situations.
<u>Target Audience:</u>	Any clinical
<u>Date(s):</u>	Various/TBD
<u>Time(s):</u>	Various/TBD
<u>Location(s):</u>	Virtual
<u>Instructor(s):</u>	Centers for Domestic Preparedness staff
<u>Contact Information for Course/Program Facilitator:</u>	Paul Mikita, Paul.Mikita@rwjbh.org (local contact)
<u>Registration instructions:</u>	https://app.surveymethods.com/EndUser.aspx?EDC9A5BAEDAAB9B9E8
<u>Additional information:</u>	This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Basic Disaster Life Support

<u>Course Objective:</u>	Describe an all-hazard, standardized, scalable casualty management approach for use in disasters and public health emergencies, including life-saving interventions, medical decision making in an altered care environment, as well as mass casualty and mass fatality management.
<u>Target Audience:</u>	All
<u>Date(s):</u>	TBD
<u>Time(s):</u>	TBD

Location(s): RWJUH-New Brunswick Mobile Health Services Building

Instructor(s): Paul Mikita

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org

Registration instructions: Registration available at trainingcenterstechnology.com under Emergency Preparedness section
www.trainingcentertechnologies.com/RWJBH/CourseEnrollment.aspx

Additional information: There is an associated cost for this course determined by the national agency that will be collected at the time of registration. There will be an additional registration with the National Disaster Life Support Foundation, link will be sent after local registration is completed.

Basic Principles of Healthcare Disaster Planning and Response

Course Objective: Introduce participants to principles and concepts of Emergency Management and introduce participants to principles and concepts of Incident Management. Participants will understand application of disaster and emergency management principles to hospital preparedness, readiness, and response

Target Audience: Clinical staff and management

Date(s): TBD

Time(s): TBD

<u>Additional information:</u>	This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid . This course has a minimum attendance of 20 individuals; if a required class size is not met a course may be cancelled by the CDP

Crisis Standards of Care and Treatment Decision-Making (AWR-934-V1)

<u>Course Objective:</u>	Participants will explore the potential causes as well as the prioritization of care and explores legal, moral, and ethical considerations.
<u>Target Audience:</u>	Any clinical
<u>Date(s):</u>	Various/TBD
<u>Time(s):</u>	Various/TBD
<u>Location(s):</u>	Virtual
<u>Instructor(s):</u>	Centers for Domestic Preparedness staff

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org (local contact)

Registration instructions: <https://app.surveymethods.com/EndUser.aspx?COE48897C087959ACB>

Additional information: This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Disaster Preparedness for Hospitals and Healthcare Organizations within the Community Infrastructure (MGT341)

Course Objective: Participants will explore the relationship between hospitals and healthcare facilities and the communities they serve related to preparedness, response, and resiliency through review of vulnerabilities and potential impacts.

Target Audience: Any clinical/Emergency Management

Date(s): TBD

Time(s): TBD

Location(s): RWJUH-New Brunswick Mobile Health Services building

Instructor(s): Texas A&M University Engineering Extension

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org (local contact)

Registration instructions: Registration available at trainingcenterstechnology.com under Emergency Preparedness section
www.trainingcentertechnologies.com/RWJBH/CourseEnrollment.aspx

Additional information: This course will require a second registration with the Texas A&M that will be included with the local registration confirmation. TEEX courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Emergency Department Special Operations (MCI and HAZMAT)

<u>Course Objective:</u>	Participants will understand basic principles of patient decontamination and area setup. Participants will understand principles of Emergency Department mass casualty incident setup and response. Participants will demonstrate understanding of Emergency Department special response operations
<u>Target Audience:</u>	Emergency Department staff and leadership
<u>Date(s):</u>	TBD
<u>Time(s):</u>	TBD
<u>Location(s):</u>	RWJUH-New Brunswick Mobile Health Services Building
<u>Instructor(s):</u>	Paul Mikita
<u>Contact Information for Course/Program Facilitator:</u>	Paul.Mikita@rwjbh.org (local contact)
<u>Registration instructions:</u>	Registration available at trainingcenterstechnology.com under Emergency Preparedness section www.trainingcentertechnologies.com/RWJBH/CourseEnrollment.aspx

Hazardous Materials Decontamination Determination and Operations

<u>Course Objective:</u>	Participants will discuss capabilities, requirements, and considerations for determine appropriate decontamination methods and means for hazardous materials response.
<u>Target Audience:</u>	Any clinical
<u>Date(s):</u>	Various/TBD
<u>Time(s):</u>	Various/TBD
<u>Location(s):</u>	Virtual
<u>Instructor(s):</u>	Centers for Domestic Preparedness staff
<u>Contact Information for Course/Program Facilitator:</u>	Paul.Mikita@rwjbh.org (local contact)
<u>Registration instructions:</u>	Dates for this class have not been set by the CDP, please contact Paul Mikita for more information if interested

Additional information: This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Healthcare Facility Mass Fatality Management (AWR-934-V13)

Course Objective: Participants will examine planning and preparedness considerations for mass fatality management in a healthcare facility

Target Audience: Any clinical

Date(s): Various/TBD

Time(s): Various/TBD

Location(s): Virtual

Instructor(s): Centers for Domestic Preparedness staff

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org (local contact)

Registration instructions: <https://app.surveymethods.com/EndUser.aspx?9DB9D5CA9DDAC9CE9F>

Additional information: This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Healthcare Facility Preparedness (AWR-934-V8)

<u>Course Objective:</u>	Participants will examine the requirements and considerations for preparing healthcare facilities to capably response to and recover from a health or medical emergency.
<u>Target Audience:</u>	Any clinical/Emergency Management
<u>Date(s):</u>	Various/TBD
<u>Times(s):</u>	Various/TBD
<u>Location(s):</u>	Virtual
<u>Instructor(s):</u>	Centers for Domestic Preparedness staff
<u>Contact Information for Course/Program Facilitator:</u>	Paul.Mikita@rwjbh.org (local contact)
<u>Registration instructions:</u>	https://app.surveymethods.com/EndUser.aspx?83A7CBD483C4D7D188
<u>Additional information:</u>	This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Hospital Emergency Response Team (Decontamination Team)

<u>Course Objective:</u>	Introduce participants to concepts and principles of patient decontamination and decontamination area setup. Participants will understand safety principles of patient decontamination and decontamination area operations
<u>Target Audience:</u>	Emergency Department and Patient Decontamination team members and leadership
<u>Date(s):</u>	Various/TBD
<u>Times(s):</u>	TBD
<u>Location(s):</u>	RWJUH-New Brunswick Mobile Health Services Building
<u>Instructor(s):</u>	Paul Mikita

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org

Registration instructions: Registration available at trainingcenterstechnology.com under Emergency Preparedness section
www.trainingcentertechologies.com/RWJBH/CourseEnrollment.aspx

Additional information: This course will require a federal student identification number which can be obtained from the Federal Emergency Management Agency at: cdp.dhs.gov/femasid

Hospital Incident Command System (AWR-934-V8)

Course Objective: Participants will be introduced to the Hospital Incident Command system and management structure that hospitals operate under during facility-wide emergency incidents.

Target Audience: Any clinical

Date(s): Various/TBD

Time(s): Various/TBD

Location(s): Virtual

Instructor(s): Centers for Domestic Preparedness staff

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org (local contact)

Registration instructions: <https://app.surveymethods.com/EndUser.aspx?7F5B37287F382B2D75>

Additional information: This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Hospital Planning for Mass Casualty Incident Surges: Natural Disasters (AWR-933-V4)

Course Objective: Participants will discuss planning for operational responses related to naturally occurring mass casualty incidents.

Target Audience: Any clinical/Emergency Management

Date(s): Various/TBD

Time(s): Various/TBD

Location(s): Virtual

Instructor(s): Centers for Domestic Preparedness staff

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org (local contact)

Registration instructions: <https://app.surveymethods.com/EndUser.aspx?97B3DFC097D0C3C39C>

Additional information: This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Mass Casualty Incident Response (AWR-934-V2)

Course Objective: Participants will explore basic principles of mass casualty incident response management including triage, life-saving interventions, and treatment in the pre-hospital and hospital setting.

Target Audience: Any clinical

Date(s): Various/TBD

Time(s): Various/TBD

Location(s): Virtual

Instructor(s): Centers for Domestic Preparedness staff

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org (local contact)

Registration instructions: <https://app.surveymethods.com/EndUser.aspx?CAEE829DCA8D9E98C>

Additional information: This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Medical Surge Management (AWR-934-V4)

Course Objective: Participants will explore the process for medical management of the immediate response phase of a mass trauma event including pre-hospital and hospital-based operations.

Target Audience: Any clinical

Date(s): Various/TBD

Time(s): Various/TBD

Location(s): Virtual

Instructor(s): Centers for Domestic Preparedness staff

Contact Information for Course/Program Facilitator: Paul.Mikita@rwjbh.org (local contact)

Registration instructions: <https://app.surveymethods.com/EndUser.aspx?89ADC1DE89CEDDDDB8C>

Additional information: This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

Psychological Preparedness for Responders (AWR-933-V7)

<u>Course Objective:</u>	Participants will review common examples of situations encountered by emergency responders with tendency to cause stress-induced psychological trauma and explore various coping mechanisms.
<u>Target Audience:</u>	Any clinical/Emergency Management
<u>Date(s):</u>	Various/TBD
<u>Time(s):</u>	Various/TBD
<u>Location(s):</u>	Virtual
<u>Instructor(s):</u>	Centers for Domestic Preparedness staff
<u>Contact Information for Course/Program Facilitator:</u>	Paul.Mikita@rwjbh.org (local contact)

<u>Additional information:</u>	This course will require a second registration with the Centers for Domestic Preparedness that will be included with the local registration confirmation. CDP courses will require a federal student identification number that can be obtained from the Federal Emergency Management Agency at cdp.dhs.gov/femasid

EMERGENCY DEPARTMENT

Emergency Department Triage using the Emergency Severity Index (ESI)

Course Objective: Explains the Emergency Severity Index when triaging patients in the Emergency department. Assigns an acuity level to a given patient using the emergency severity index.

Target Audience: Emergency Department Nurses

Date(s): TBD

Time(s): TBD

Location(s): TBD

Instructor(s): Bethany Watkins MSN, RN, CEN

Contact Information for Course/Program Facilitator: Bethany Watkins – (973) 322-9816
Bethany.Watkins@rwjbh.org

Registration instructions: Contact Clinical Instructor

ESI Triage

Course Objective: Define the process of triage and illustrate essential elements for accurate triage.

Target Audience: Emergency Department RNs

Date(s): Thursday, January 27, 2022
 Tuesday, April 26, 2022
 Thursday, July 28, 2022
 Tuesday, October 25, 2022

Time(s): Thursday dates: 8:00am-11:30AM; Tuesday dates: 1:00pm-4:30pm

Location(s): Virtual

Instructor(s): Jennifer Chaiken, RN, BSN, CEN

Contact Information for Course/Program Facilitator: Jennifer Chaiken, RN, BSN, CEN
jennifer.chaiken@rwjbh.org

Registration instructions: <https://attendee.gotowebinar.com/rt/3322882879681930767>

Introduction to Pediatric Emergency Medicine

Course Objective: Describe pediatric physical assessment findings as they relate to pediatric emergencies.
 Calculate pediatric medication dosing for common medications given in the pediatric emergency department.

Target Audience: Emergency Department Nurses

Date(s): TBD

Time(s): TBD

Location(s): CBMC; Room 2012

Instructor(s): Robert J. Deutsch, MD, MPH, FAAP

Contact Information for Course/Program Facilitator: Bethany Watkins: Bethany.watkins@rwjbh.org

Registration instructions: Net Learning

MEDICAL/SURGICAL/TELEMETRY

Advance Stepdown Course

Course Objective: A two-day course that aims for newly hired RNs to be able to incorporate new knowledge and critical skills into their critical practice and be able to demonstrate clinical confidence and expertise in providing safe patient care and management of Medical-Surgical Step-Down patients.

Target Audience: Step-down, Tele Float RNs

Date(s): January 10, 2022 (Day 1) and January 22, 2022 (Day 2)

Time(s): 8:00am-4:00pm (Day 1); 8:00am-12:30pm (Day 2)

Location(s): CBMC; Room **TBD**

Instructor(s): Varied

Contact Information for Course/Program Facilitator: MinervaA.Layug@rwjbh.org or call:
(973) 634-1955

Registration instructions: Net Learning or contact MinervaA.Layug@rwjbh.org

**Dates that classes are offered highly depends on the number of new hires to 1 West. IF there are no new orientees, no class will be scheduled.*

Basic EKG Interpretation

<u>Course Objective:</u>	To provide the RN with the knowledge and skills required to analyze and interpret basic cardiac rhythms.			
<u>Target Audience:</u>	Critical Care, ED, Telemetry, and Medical/Surgical registered nurses required to identify and measure cardiac rhythms			
<u>Date(s):</u>	<u>2022 Dates:</u>	January 18 and 19; March 15 and 16; May 17 and 18; July 19 and 20; September 20 and 21; November 15 and 16		
<u>Time(s):</u>	8:00am-4:30pm			
<u>Location(s):</u>	Robert Wood Johnson University Hospital Rahway, 865 Stone Street, Rahway, NJ			
<u>Instructor(s):</u>	Veronica Jones MSN, RN			
<u>Contact Information for Course/Program Facilitator:</u>	Veronica Jones MSN, RN Veronica.Jones@rwjbh.org			
<u>Registration instructions:</u>	Contact Donna Owens, Administrative Assistant Donna.Owens@rwjbh.org or (732) 499-6074			

Clinical Enhancement Series – Part 1: Care of the Patient with a Chest Tube

Course Objective: The course is designed to provide both novice and experienced staff an opportunity to review didactic and psychomotor skills required to care for the patient with a chest tube in a low fidelity environment. There is particular emphasis on the utilization of this education for improved care, patient education and accurate documentation.

Target Audience: All Registered Nurses

Date(s): Check Trinity Regional Medical Center Course Flyer

Time(s): Check Trinity Regional Medical Center Course Flyer

Location(s): Trinitas Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus

Instructor(s): The Department of Education, Training and Development staff

Registration instructions: Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

Clinical Enhancement Series – Part 2: Care of the Patient with a Nasogastric Tube or G-Tube

Course Objective: The course is designed to provide both novice and experienced staff an opportunity to review didactic and psychomotor skills required to care for the patient with a Nasogastric or G-Tube in a low fidelity environment. There is particular emphasis on the utilization of this education for improved care, patient education and accurate documentation.

Target Audience: All Registered Nurses

Date(s): Check Trinity Regional Medical Center Course Flyer

Time(s): Check Trinity Regional Medical Center Course Flyer

Location(s): Trinitas Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus

Instructor(s): The Department of Education, Training and Development staff

Registration instructions: Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

Clinical Enhancement Series – Part 3: Documentation: Best Practice Leads to Best Results

Course Objective: The course is designed to provide both novice and experienced staff an opportunity to review the elements of accurate documentation. Through the utilization of a simulated environment in the EMR, nurses can simulate the components required to ensure accurate communication through all disciplines.

Target Audience: All Registered Nurses

Date(s): Check Trinity Regional Medical Center Course Flyer

Time(s): Check Trinity Regional Medical Center Course Flyer

Location(s): Trinitas Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus

Instructor(s): The Department of Education, Training and Development staff

Registration instructions: Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

Clinical Enhancement Series – Part 4: Indwelling Urinary Catheters: How to Insert and When not to!

Course Objective: The course is designed to provide both novice and experienced staff an opportunity to review didactic and psychomotor skills required to care for the patient with indwelling urinary catheter in a low fidelity environment. The program allows the nurse to validate psychomotor skill as well as role playing on SBAR Communication with physicians on issues and alternatives. There is particular emphasis on the utilization of this education for improved care, patient education and accurate documentation.

Target Audience: All Registered Nurses

Date(s): Check Trinity Regional Medical Center Course Flyer

Time(s): Check Trinity Regional Medical Center Course Flyer

Location(s): Trinitas Regional Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus

Instructor(s): The Department of Education, Training and Development staff

Registration instructions: Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

Clinical Enhancement Series – Part 5: Code Management – Immediate Interventions to Transfer

- Course Objective:** The course is designed to provide both novice and experienced staff with a review of the indication that might be patient decompensating. In a low fidelity simulated environment, the nurses will be able to role play the skill of providing immediate care to a patient in distress, develop a SBAR and prepare for any transfer to a higher level of care.
- Target Audience:** All Registered Nurses
- Date(s):** Check Trinity Regional Medical Center Course Flyer
- Time(s):** Check Trinity Regional Medical Center Course Flyer
- Location(s):** Trinitas Regional Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus
- Instructor(s):** The Department of Education, Training and Development staff
- Registration instructions:** Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

Clinical Enhancement Series – Part 6: Care of the Patient Requiring Peritoneal Dialysis

- Course Objective:** The course is designed to provide both novice and experienced staff an opportunity to review didactic and psychomotor skills required to care for the patient with a Peritoneal Dialysis in a low fidelity environment. There is particular emphasis on the utilization of this education for improved care, patient education and accurate documentation.
- Target Audience:** All Registered Nurses
- Date(s):** Check Trinity Regional Medical Center Course Flyer
- Time(s):** Check Trinity Regional Medical Center Course Flyer
- Location(s):** Trinitas Regional Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus
- Instructor(s):** The Department of Education, Training and Development staff
- Registration instructions:** Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

Clinical Enhancement Series – Part 7: Delegation – Managing the When and How

<u>Course Objective:</u>	The course is designed to provide both novice and experienced staff an opportunity to review the regulations and elements for successful delegation. The course will also review the elements of communication that allow for team dynamics in the simulated environment.
<u>Target Audience:</u>	All Registered Nurses
<u>Date(s):</u>	Check Trinity Regional Medical Center Course Flyer
<u>Time(s):</u>	Check Trinity Regional Medical Center Course Flyer
<u>Location(s):</u>	Trinitas Regional Medical Center, 225 Williamson Street, Elizabeth, NJ 07202 Williamson Street Campus
<u>Instructor(s):</u>	The Department of Education, Training and Development staff
<u>Registration instructions:</u>	Email: Dilkia.DelCastillo@rwjbh.org , or call 908-994-8670

Clinical Enhancement Series – Part 8: Care of the Diabetic Patient

<u>Course Objective:</u>	The course is designed to provide both novice and experienced staff an opportunity to review didactic and psychomotor skills required to care for the patient with previous history of Diabetes Mellitus. There is particular emphasis on the utilization of this education for improved care, better patient outcomes, early identification of complications, patient education and accurate documentation.
<u>Target Audience:</u>	All Registered Nurses
<u>Date(s):</u>	Check Trinity Regional Medical Center Course Flyer
<u>Time(s):</u>	Check Trinity Regional Medical Center Course Flyer
<u>Location(s):</u>	Trinitas Regional Medical Center, 225 Williamson Street, Elizabeth, NJ 07202 Williamson Street Campus
<u>Instructor(s):</u>	The Department of Education, Training and Development staff
<u>Registration instructions:</u>	Email: Dilkia.DelCastillo@rwjbh.org , or call 908-994-8670

Clinical Enhancement Series – Part 9: Optimizing Time Management

Course Objective: This education program is designed to provide both novice and experienced staff an opportunity to review time management. As the complexity of patient care increases, the need for optimization of workflow will allow for improved employee satisfaction.

Target Audience: All Registered Nurses

Date(s): Check Trinity Regional Medical Center Course Flyer

Time(s): Check Trinity Regional Medical Center Course Flyer

Location(s): Trinitas Regional Medical Center, 225 Williamson Street, Elizabeth, NJ 07202
Williamson Street Campus

Instructor(s): The Department of Education, Training and Development staff

Registration instructions: Email: Dilkia.DelCastillo@rwjbh.org, or call 908-994-8670

Intermediate Care Training

Course Objective: Participants should be able to; understand the care of the patient requiring intermediate care. Manage patients on BiPAP and patients with a tracheostomy. Understand the pharmacology of medications administered to patient requiring intermediate care. Demonstrate appropriate nursing inventions for patients on the CIWA protocol. Apply appropriate critical thinking, knowledge, and application of skills during mock code. Demonstrate knowledge of how to care for a patient with a chest tube.

Target Audience: RNs

Date(s): February 10; April 14; June 9; August 11; October 13; December

Time(s): 8:00am to 12:00pm

Location(s): RWJUH – New Brunswick Campus; 8 East Tower

Instructor(s): Alberto Rodriguez, Sharifa Doyle, Lanlen Soriano

Contact Information for Course/Program Facilitator: Alberto Rodriguez (732) 258-9599 Sharifa Doyle (908) 705-0427

Registration instructions: HealthStream

Joint & Orthopedic Course

Course Objective: Introduce and educate RNs on the standards of patient care required for the orthopedic and joint patients.

Target Audience: RNs who care for joint and orthopedic patient (Hospital site only)

Date(s): March 23, 2022 and September 28, 2022

Time(s): 9:00am-1:00pm

Location(s): Cooperman Barnabas Medical Center, Livingston, NJ
Central Building, 3130

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Aida Palomino, MSN, RN, NPD-BC
Aida.Palomino@rwjbh.org

Registration instructions: Net Learning Net Learning or contact Course Facilitator

Neuroscience Course

Course Objective: Introduce and educate RNs on the standards of patient care required for the care of the epileptic patient.

Target Audience: 6700 and Float RNs covering 6700 (CBMC Hospital Site only)

Date(s): February 25, 2022; and September 2, 2022

Time(s): 9:00am-1:00pm

Location(s): Cooperman Barnabas Medical Center, Livingston, NJ
Central Building, 3130

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Aida Palomino MSN, RN, NPD-BC
Aida.Palomino@rwjbh.org

Registration instructions: Net Learning or contact Course Facilitator

Peritoneal Dialysis

Course Objective: Introduce and educate RNs on the standards of patient care that are required for peritoneal dialysis.

Target Audience: RNs caring for peritoneal dialysis patients (Hospital site only)

Date(s): April 28, 2022 and October 26, 2022

Time(s): 9:00am-1:00pm

Location(s): Cooperman Barnabas Medical Center, Livingston , NJ
Central Building, 3130

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Aida Palomino MSN, RN, NPD-BC
Aida.Palomino@rwjbh.org

Perinatal Electronic Fetal Monitoring

Course Objective: Introduce and educate RNs on how to perform perinatal electronic fetal monitoring.

Target Audience: All RWJBH RNs interested in learning the procedure

Date(s): February 11, 2022 and February 25, 2022

Time(s): 8:00am-5:00pm

Location(s): Robert Wood Johnson University Hospital, New Brunswick, NJ
East Tower Training Suite, 8th Floor, Room ET-821

Instructor(s): Shelby Pitts DNP, RN, WHNP-BC

Contact Information for Course/Program Facilitator: Shelby Pitts DNP, RN, WHNP-BC
Shelby.Pitts2@rwjbh.org

Renal Stepdown Course

Course Objective: Introduce and educate RNs on the standards of patient care that are required for transplant patients.

Target Audience: RNs caring for renal transplant patients (Hospital Site only)

Date(s): April 21, 2022 and November 8, 2022

Time(s): 9:00am-1:00pm

Location(s): Cooperman Barnabas Medical Center, Livingston, NJ
Central Building, 3130

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Aida Palomino MSN, RN, NPD-BC
Aida.Palomino@rwjbh.org

Registration instructions: Net Learning or contact Course Facilitator

Ventilator Course

Course Objective: Introduce and educate RNs on the standards of patient care required for the ventilated patient.

Target Audience: RNs new to pulmonary and ventilator care

Date(s): TBD

Time(s): TBD

Location(s): Saint Barnabas Medical Center, Ground Floor Respiratory Department

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Aida Palomino MSN, RN, NPD-BC
Aida.Palomino@rwjbh.org

Registration instructions: Net Learning or contact Course Facilitator

NEONATAL/PERINATAL***Stable***

- Course Objective:** To help maternal child healthcare workers to organize the myriad of details and interventions necessary to provide care to a sick and/or premature baby.
- Target Audience:** Registered Nurses; other health care providers are welcome to attend
- Date(s):** TBD
- Time(s):** TBD
- Location(s):** Jersey City Medical Center Museum at 350 Montgomery Street 355 Grand Street, Jersey City, NJ 07302
- Instructor(s):** Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB
- Contact Information for Course/Program Facilitator:** Michelle.Dickerson@rwjbh.org
- Registration instructions:** Call 201-915-2000 extension 3860
- Additional information:** REGISTRATION IS NECESSARY! Fees for all non-Barnabas employee attendees: \$75; Cancellations are refundable up to 1 week prior to the course.

Perinatal Electronic Fetal Monitoring

Course Objective: To learn how to use the equipment for fetal monitoring and interpret the procedure results.

Target Audience: Registered Nurses

Date(s): Friday, February 11; and Friday, February 25

Time(s): 8:00am-5:00pm

Location(s): Robert Wood Johnson University Hospital, New Brunswick, NJ
East Tower Training Suite, 8th Floor, Room ET-821

Instructor(s): Shelby Pitts DNP, RN, WHNP-BC

Contact/Registration Information: Shelby Pitts DNP, RN, WHNP-BC
(732) 532-4500; Shelby.Pitts@rwjbh.org

AWHONN Intermediate Fetal Monitoring

Course Objective: Applying essential fetal heart rate monitoring theory and skills in intrapartum practice. It is designed for nurses with a minimum of 6 months clinical nursing experience using fetal heart rate monitoring technology. Participants must attend both days.

Target Audience: Labor and Delivery and Antepartum nurses

Date(s): TBD

Time(s): TBD

Location(s): TBD

Instructor(s): TBD

Contact Information for Course/Program Facilitator: TBD

Registration instructions: Information will be on flyers prior to course date

OBSTETRICS AND MATERNAL- CHILD HEALTH

2 Day Inpatient OB Certification Review Course

Course Objective: To provide a review course to prepare nurses to take the national certification in patient OB nursing.

Target Audience: Labor and Delivery nurses wishing to take the NCC certification exam.

Date(s): May 23 and May 24, 2022

Time(s): 8:00am-4:00pm

Location(s): Virtual

Instructor(s): Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB

Contact Information for Course/Program Facilitator: Michelle.Dickerson@rwjbh.org

2 Day Maternal Newborn Certification Review Course

Course Objective: To provide a review course to prepare nurses to take the national certification in maternal newborn nursing.

Target Audience: Maternal Newborn nurses wishing to take the NCC certification exam.

Date(s): June 22 and June 23, 2022

Time(s): 8:00am-4:00pm

Location(s): Virtual

Instructor(s): Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB

Contact Information for Course/Program Facilitator: Michelle.Dickerson@rwjbh.org

Advanced Fetal Monitoring

Course Objective: This course is designed for perinatal clinicians who previously completed AWHONN's Intermediate Fetal Monitoring course, or a comparable fetal monitoring educational program and/or who hold certification or added credentials in fetal heart monitoring.

Target Audience: Labor and Delivery and Antepartum Nurses

Date(s): September 14, 2022

Time(s): 7:30am-4:00pm

Location(s): Virtual

Instructor(s): Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB

Contact Information for Course/Program Facilitator: Michelle.Dickerson@rwjbh.org

Intermediate Fetal Monitoring

Course Objective: Applying essential fetal heart rate monitoring theory and skills in intrapartum practice. It is designed for nurses with a minimum of six months clinical nursing experience using fetal heart rate monitoring technology.

Target Audience: Labor and Delivery and Antepartum Nurses

Date(s): April 6, 2022 and September 22, 2022

Time(s): 7:30am-4:00pm

Location(s): TBD

Instructor(s): Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB

Contact Information for Course/Program Facilitator: Michelle.Dickerson@rwjbh.org

Additional Information: Must complete coursework prior to attending with details to follow.

Labor and Delivery: The New Critical Care

Course Objective: To provide current evidence-based care of the pregnant patient and the management of the critically ill pregnant woman.

Target Audience: Labor and Delivery Nurses

Date(s): July 12, 2022

Time(s): 7:30am-12:30pm

Location(s): Virtual

Instructor(s): Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB

Contact Information for Course/Program Facilitator: Michelle.Dickerson@rwjbh.org

Stable

Course Objective: Neonatal education program to focus exclusively on the post-resuscitation/pre-transport stabilization care of sick infants.

Target Audience: Labor and Delivery, Postpartum and Nursery Nurses

Date(s): April 27, 2022 and October 18, 2022

Time(s): 8:00am-4:15pm

Location(s): Virtual

Instructor(s): Michelle L. Dickerson, PhD(c), RNC-NIC, C-ELBW, RNC-MNN, NPD-C, CB

Contact Information for Course/Program Facilitator: Michelle.Dickerson@rwjbh.org

ONCOLOGY

Advanced Oncology Certification Review Course

Course Objective: Review course for Advanced Oncology Certification

Target Audience: Advanced Practice Nurses

Date(s): TBD

Time(s): TBD

Location(s): Virtual Program/Rutgers Cancer Institute of New Jersey

Instructor(s): Multiple

Contact Information for Course/Program Facilitator: Raquel Lozada

Registration instructions: TBD

Cardiology Oncology

Course Objective: To introduce cardiac focused care to nurses caring for oncology patients with treatment induced cardiac conditions or general co-morbidities.

Target Audience: Oncology Nurses and telemetry nursing staff interested in the pursuit of increased knowledge of the emerging field of cardiology oncology.

Date(s): October 25, 2022

Time(s): 8:00am-12:00noon (tentative)

Location(s): Cooperman Barnabas Medical Center/W2129 Cooperman Building (unless virtual)

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Mary A Stoffel MSN, RN, HNB-BC

Registration instructions: Net Learning or email/call facilitator above.

Additional information: Planned in-person, but may be virtual.

Intro to Oncology

Course Objective: The introduction of care and symptom management of oncology patients to nurses new to the specialty of oncology.

Target Audience: Novice nurses and nurses new to oncology

Date(s): March 22, 2022, July 26, 2022, November 21, 2022

Time(s): 8:00am-4:00pm

Location(s): Cooperman Barnabas Medical Center/W2129 Cooperman Building

Instructor(s): Mary A. Stoffel MSN, RN, HNB-BC and varied content experts.

Contact Information for Course/Program Facilitator: Mary.Velardi-Stoffel@rwjbh.org

Registration instructions: Net Learning or Email/phone registration.

Additional information: Open to Cooperman Barnabas Medical Center Nurses; RWJBH nursing staff as registration/space permits. May be hybrid or virtual based on Covid-19 restrictions.

Oncology Fundamentals

Course Objective: To enhance nurses' knowledge of Oncology patient care.

Target Audience: Oncology RNs

Date(s): February 8; May 10; August 3; November 8

Time(s): 8:30am-12:30pm

Location(s): Robert Wood Johnson University Hospital Somerset; SCC Conf. Room 1
110 Rehill Avenue, Somerville, NJ

Instructor(s): Tatiana Costa MSN, RN-BC, OCN

Contact Information for Course/Program Facilitator: Tatiana.Costa@rwjbh.org, (908) 303-5456

Registration instructions: Survey Monkey

Palliative Care: Management of Anxiety, Depression, and Insomnia

Course Objective: Update of symptom management for above topics

Target Audience: RNs, APPs

Date(s): TBD

Time(s): TBD

Location(s): Virtual Program

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Raquel Lozada

Registration instructions: TBD

Palliative Care: Management of Nausea, Vomiting, Appetite and Constipation

Course Objective: Update of symptom management for above topics

Target Audience: RNs, APPs

Date(s): TBD

Time(s): TBD

Location(s): Virtual Program

Instructor(s): TBD

Contact Information for Course/Program Facilitator: Raquel Lozada

Registration instructions: TBD

Pharmacology Review

Course Objective: Update of 2022 Pharmacology Medications

Target Audience: RNs and APPs

Date(s): January 24, 2022

Time(s): TBD

Location(s): Virtual Program

Instructor(s): Michael Kane, RPh

Contact Information for Course/Program Facilitator: Raquel Lozada

PEDIATRIC

Care of the Pediatric Patient

Course Objective: To orient new nurses and nurses new to Pediatrics to developmentally appropriate care and to review common pediatric conditions.

Target Audience: RNs new to caring for children

Date(s): March 22, 2022 and October 4, 2022

Time(s): 8:00am to 4:00pm

Location(s): Newark Beth Israel, D1 Classroom

Instructor(s): Cheryle Aizley APN, and Emily Yates, APN

Contact Information for Course/Program Facilitator: Emily.Yates@rwjbh.org

Registration instructions: Net Learning

Care of the Pediatric Patient

Course Objective: Learners will apply knowledge of pediatric growth and development, physical assessment, and nursing interventions for common medical and surgical conditions to their clinical practice.

Target Audience: Novice pediatric nurses

Date(s): June 22, 2022

Time(s): 8:00am to 4:00pm

Location(s): Cooperman Barnabas Medical Center

Instructor(s): Stephanie Richter MSN, RN, NPD-BC, CEN

Contact Information for Course/Program Facilitator: Stephanie.Richter@rwjbh.org

Registration instructions: Net Learning or email instructor

CCRN Review (2-day course) - Pediatric

Course Objective: To review content to prepare PICU nurses to sit for the CCRN exam.

Target Audience: Nurses who plan to take the Pediatric CCRN exam

Date(s): June 7, 2022 and June 14, 2022

Time(s): 7:00am to 3:30pm

Location(s): Newark Beth Israel, D1 Classroom

Instructor(s): Cheryle Aizley, APN and Emily Yates, APN

Contact Information for Course/Program Facilitator: Cheryl.Aizley@rwjbh.org

Registration instructions: Net Learning

Hematology/Oncology Fundamentals (3-day course)

Course Objective: To review nursing care of the pediatric patient with a hematological or oncological condition.

Target Audience: RNS new to Pediatric Hematology Oncology BD

Date(s): Spring 2022 TBD

Location(s): NBI

Instructor(s): Cheryle Aizley APN

Contact Information for Course/Program Facilitator: Cheryl.Aizley@rwjbh.org

Registration instructions: Net Learning

Hot Topics in Pediatric Nursing

Course Objective: The audience will have up to date knowledge on new trends in pediatrics.

Target Audience: Nurses, physicians, NP's, school nurses caring for the pediatric population

Date(s): Thursday, April 22, 2022

Time(s): TBD

Location(s): Monmouth Medical Center (Virtual)

Instructor(s): Gail Cudia

Contact Information for Course/Program Facilitator: Gail.Cudia@rwjbh.org

Registration instructions: TBD

Lois Pollack Pediatric Conference: Pediatric Potluck

Course Objective: To provide education on various pediatric topics.

Target Audience: Nurses caring for pediatric patients.

Date(s): October 2022 (More information will follow closer to October)

Time(s): TBD

Location(s): Courtyard RWJUH New Brunswick or Virtual

Instructor(s): Rebecca Ramos, MS, RN-BC

Contact Information for Course/Program Facilitator: Rebecca.Ramos@rwjbh.org

Registration instructions: Health Stream or Survey Monkey

Pediatric EKG and Cardiac Disorders

Course Objective: Review pediatric EKG cardiac rhythms, as well as congenital and acquired diagnosis.

Target Audience: Nurses caring for pediatric patients.

Date(s): TBD

Time(s): TBD

Location(s): TBD and Virtual

Instructor(s): Rebecca Ramos, MS, RN-BC

Contact Information for Course/Program Facilitator: Rebecca.Ramos@rwjbh.org

Registration instructions: HealthStream

Additional information: The two dates offered are the same class, offered different times of the year

Pediatric Peritoneal Dialysis Class

Course Objective: To review and discuss care of the pediatric patient with peritoneal dialysis.

Target Audience: Nurses caring for pediatric patients.

Date(s): TBD

Time(s): TBD

Location(s): RWJUH

Instructor(s): Rebecca Ramos, MS, RN-BC

Contact Information for Course/Program Facilitator: Rebecca.Ramos@rwjbh.org

Registration instructions: HealthStream

Additional information: The two dates offered are the same class, offered different times of the year.

Pediatric ICU (PICU) Course (5-day course)

Course Objective: To orient new PICU nurses to pediatric critical care (5-day course).

Target Audience: RNS new to pediatric intensive care unit

Date(s): 2022 Dates:
February 15; February 22; March 1; March 8; March 15, AND
October 11; October 18; October 25; November 1 and November 8

Time(s): 7:00am to 3:30pm

Location(s): Newark Beth Israel, D1 Classroom

Instructor(s): Cheryle Aizley APN and Emily Yates APN

Contact Information for Course/Program Facilitator: Cheryl.Aizley@rwjbh.org

Registration instructions: Net Learning

Practice Makes Perfect: Pediatric Simulation for Emergencies

Course Objective: To educate and simulate emergency situations pertaining to the pediatric population.

Target Audience: Nurses caring for pediatric patients.

Date(s): TBD

Time(s): TBD

Location(s): TBD

Instructor(s): Rebecca Ramos, MS, RN-BC

Contact Information for Course/Program Facilitator: Rebecca.Ramos@rwjbh.org

Registration instructions: HealthStream

Additional information: The two dates offered are the same class, offered different times of the year.

Teaching the Newly Diagnosed Pediatric Patient with Diabetes

Course Objective: To review nursing care of the pediatric patient with a hematological or oncological condition.

Target Audience: Nurses caring for pediatric patients.

Date(s): TBD

Time(s): TBD

Location(s): TBD and Virtual

Instructor(s): Rebecca Ramos, MS, RN-BC

Contact Information for Course/Program Facilitator: Rebecca.Ramos@rwjbh.org

Registration instructions: TBD

PERIOPERATIVE

CNOR Review

Course Objective: Prepare nurses to take the CCI certification exam for CNOR.

Target Audience: System OR nurses preparing or registered to take the CNOR exam.

Date(s): TBD

Time(s): TBD

Location(s): TBD

Instructor(s): RWJBH OR Educators

Contact Information for Course/Program Facilitator: Mary.Koch@rwjbh.org

Registration instructions: TBD

OR Hybrid Orientation Course

Course Objective: Prepare newly hired or transferred non-experienced nurses for role as OR nurses.

Target Audience: RNs

Date(s): TBD

Time(s): TBD

Location(s): TBD

Instructor(s): RWJBH OR Educators

Contact Information for Course/Program Facilitator: Mary.Koch@rwjbh.org
