ABSTRACTS:

LaRosa JA, Lapinski C. A CLABSI-FREE Intensive Care Unit
Robert Wood Johnson – Barnabas Health Quality Week
October 2016

Skidell S, **LaRosa JA**, Lapinski C., Dimitriou P. The impact of implementing early nutrition screening, timely interventions and feeding protocols on critically ill hospitalized ICU patients.
Robert Wood Johnson – Barnabas Health Quality Week
October 2016

LaRosa JA, Kopelan A, Feinberg M, Wiggins M, Doran A, Shepherd D, Nassirpour S, Adams L, Schottenfeld S, Cox A. Reducing Patient Safety Indicators (PSI) and PSI-90 Composite through Case Analysis, Clinical Intervention and Real-Time Provider Education
Robert Wood Johnson – Barnabas Health Quality Week
October 2016

LaRosa JA, Wasserman E, Feinberg M, Mason P, Macheska J, Verrinder M, Daquipil C. Improving Severe Sepsis Mortality Rates through Improving Sepsis Bundle Compliance
Robert Wood Johnson – Barnabas Health Quality Week
October 2016

LaRosa JA, Kopelan A, Feinberg M, Wiggins M, Doran A, Shepherd D, Nassirpour S, Adams L, Schottenfeld S, Cox A. Reducing AHRQ Patient Safety Indicator-90 (PSI-90) through Case Analysis, Clinical Intervention and Clinical Documentation Opportunities with Collaborative Efforts with Medical Coding
Robert Wood Johnson – Barnabas Health Quality Week
October 2016

LaRosa, JA. Knowledge Translation in Right Brain Rehabilitation: A Feasibility Study of Prism Treatment After Acute Stroke.
American Academy of Neurology
April 2016

LaRosa JA, Cathcart C, The Round Up Physician and Nurse Unit Champions. Unit Champions & Weekly Round-Up Forum Provide Effective Road Map to Dramatic HAI Reductions.
Barnabas Health Quality Week – October 2015
1st Place Winner

Nazir H, DiVita M, Verrinder M, Feinberg M, **LaRosa J**, Engell C.
Achieving American Heart Association's Guidelines in Performance During In-hospital Cardiac Arrests
Barnabas Health Quality Week
October 2015
2nd Place Winner

LaRosa JA, Lapinski C, Dimitriou P, Lubliner C, Fornek M, Repayo A, Espiritu-Fuller M. The Pathway to 1,000 CLABSI-Free Days in the Intensive Care Unit
Barnabas Health Quality Week
October 2015

Peei Chen, Kimberly Hreha, **Jennifer LaRosa**, Kevin Lawless, Florence Hernando, Cynthia Gocon, Christopher Santos, and A.M. Barrett. Dissemination and Implementation of Evidence-based Rehabilitation Research Outcomes to Clinical Practice: A Feasibility Study.
8th Annual Conference on the Science of Dissemination and Implementation
October 2015

Saqib A, Wang-Kocik C, Saha B, **LaRosa J**. High Attenuation mucus as a sign of ABPA.
Society of Critical Care Medicine Annual Congress
January 2015

Creating a High Reliability Process to Reduce Catheter-Related Blood Stream Infections
Fuhro M, Lapinski C, Dimitriou P, **LaRosa J**, Espiritu-Fuller M, Larang R, Repayo A, Malaspina M, Doran A. Creating a high reliability process to reduce Catheter-Related Blood Stream Infections through the continued sensitivity to operations, preoccupation with failure, deference to expertise, reluctance to simplify and resilience of an inter-disciplinary healthcare team at Newark Beth Israel Medical Center
Barnabas Health Quality Week – October 2014

Hospital-wide VTE Compliance Improvement Using a Multidisciplinary Team Approach
Naveen Tyagi, Carla Wong Kocik, Monica Feinberg, Yolanda Grasing, **Jennifer LaRosa**
Barnabas Health Quality Week – October 2014

Stroke Patient Discharge Education Compliance Improvement through Nurse-Driven Multidisciplinary Teamwork and Physician Leadership Commitment
Monica Feinberg, Colleen English, Mailyn Almirante, Shirley Cantave, **Jennifer LaRosa**
Barnabas Health Quality Week – October 2014

Stroke VTE Compliance Improvement Using a Multidisciplinary Team Approach
Feinberg M, English C, Almirante M, Cantave S, Grasing Y, **LaRosa J**.
Barnabas Health Quality Week – October 2014

O'Shea J, Tyagi N, Espiritu M, Patel K, **LaRosa J**. An interesting case of Propofol-induced acute hepatitis.
Society of Critical Care Medicine Annual Congress

January 2014

Morris Cohen, **Jennifer LaRosa**, Mary Fuhro, Jerry Murillo, Maria Espiritu, Amy Doran, Margo Malaspina, Patricia Harmon, Renita Larang, Marcia McGregor, Colleen English, Patricia Dimitriou, Peachy Legayada, Shirley Cantave, Kimberly DiSanto, Claudette McEachron, Mary Koch. Transforming the quality improvement program at Newark Beth Israel Medical Center for sustainability.

Barnabas Health Quality Week – October 2013

Kristen Scatliffe, Nelson Medina Villanueva, Adebanks Davis, Carla Wang-Kocik, Margo Malaspina, Patty Dimitriou, Amy Doran, Mary Fuhro, Infection Control Department, Christian Engell, Morris Cohen, **Jennifer A. LaRosa**. Reducing Catheter-Related Blood Stream Infections through the implementation of an inter-disciplinary healthcare team at Newark Beth Israel Medical Center

Barnabas Health Quality Week – October 2013

2nd Place Winner

Doran A, Hernandez S, Fuhro M, **LaRosa J**, Persico C, Sookdeo G, Verrinder M. The Effects of Implementing a Free Standing Rapid Response Team and Early Warning Education on the Number of Unanticipated Transfers to Critical Care

Barnabas Health Quality Week – October 2013

Pawa S, Rosenberg H, **LaRosa J**, Adamson R, Chamberlain R. Dantrolene for the treatment of malignant hyperthermia and other malignant hyperthermia like syndromes: A multicenter study. American Society of Anesthesiologists Annual Congress

October 2013

LaRosa J, Guevarra K. The Implementation of Interdisciplinary Rounds in a combined medical & surgical Intensive Care Unit. Submitted for The Darlene Buczak Award for Innovations in Medical Training and Education.

Association of Pulmonary and Critical Care Program Directors Spring Conference

March 2013 (abstracts)

Sharif I, Patel P, **LaRosa JA**. Bronchodilator response and obstructive lung disease. American College of Chest Physicians

October 2012

Gupte, C, Singh S, Sandhu KS, Raju P, Shariati N, **LaRosa JA**. A case of sarcoid-like reaction presenting eleven years after breast adenocarcinoma resection. American College of Chest Physicians

October 2012

LaRosa J, Wang-Kocik C, Wasserman E, Ben-Israel M, Dimitriou P, DiSanto K, Warshaw A. Implementation of an ICU Grid to reduce ED patient hold times.

Barnabas Health Quality Week - October 2012

Medina Villanueva N, Guevarra K, and **LaRosa J.** 2012. A case of extrapulmonary sarcoidosis involving the Calot's Node.
American Thoracic Society
May 2013

Gupte C, Raju P, Jackson J, Studer S, **LaRosa J.** 2011. Provider Characteristics Affecting Perceptions of Pain and Pain Management in the Intensive Care Units: A Pilot Study. Chest (abstracts)
American College of Chest Physicians
October 2011

Raju P, Gupte C, Jackson J, Studer S, **LaRosa J.** 2011. Development of a Tool to Assess How Healthcare Workers' Personal Characteristics Affect Pain Perception and Management. Chest (abstracts)
American College of Chest Physicians
October 2011

LaRosa, J., Siddiqui, D, Studer S. Code SMART – A Sepsis Early Alert System,
Barnabas Health Quality Week – October 2011
1st Place Winner

Jackson J, Gupte C, Raju P, **LaRosa J.** 2011. How Healthcare Workers' Personal Characteristics Affect Pain Perceptions in the Critically Ill
Barnabas Health Quality Week – October 2011

Sharif I, **LaRosa J.** 2011. The Effects of Interdisciplinary Rounds on Urinary Catheter Days and Related Infections in ICU
Barnabas Health Quality Week – October 2011

Arora N, Patel K, **LaRosa, JA.** 2011. The Impact of Interdisciplinary Team Rounds on Urinary Catheter and Central Venous Catheter Days and rates of infection. Chest (abstracts)
American College of Chest Physicians
October 2011

Gopinath S, **LaRosa J.** 2010. How to treat Neurocystercosis: A dilemma in the clinical setting. Critical Care Medicine (abstracts)
Society of Critical Care Medicine
January 2010

Nambiar S, **LaRosa J.**, Murillo J, Kansagra A, Siddique A. 2010. The Journey to Zero Ventilator-Associated Pneumonia (VAP)
Barnabas Health Quality Week – October 2010

Nambiar S, **LaRosa J.**, Murillo J, Kansagra A, Siddique S. 2010. Ventilator hours and ventilator associated pneumonia. Critical Care Medicine (abstracts).
Society of Critical Care Medicine
October 2010

Nambiar S, **LaRosa J**, Murillo J, Kansagra A, Siddique S. 2009. The effect of ventilator bundle adherence in the reduction of ventilator-associated pneumonia. Chest (abstracts).
American College of Chest Physicians
October 2009

Murillo JL, **LaRosa J**, Nambiar S, Siddiqui D, Sigler R, Larang R. The elimination of ventilator-associated pneumonia for 42 months using ventilator bundle and early extubation in the adult intensive care unit.
Fifth Decennial International Conference on Healthcare-Associated Infections, Atlanta, Georgia, March 2010

Nambair S, Karetzky M, **LaRosa J**, Kansagra A, Siddiqui S. 2010 The effect of obesity as measured by body mass index on lung volumes. Chest 136 (4), 120S (abstracts)
American College of Chest Physicians
October 2011

LaRosa J, Ahmad N, Siddiqui D, Studer S. 2009. Code SMART – A Sepsis Early Alert System
Barnabas Health Quality Week – October 2009

Nambiar S, Zubair M, **LaRosa J**. 2009. Primary pleiomorphic rhabdomyosarcoma. Chest 136 (4), 16S (abstracts)
American College of Chest Physicians
October 2009
