

Robert Wood Johnson University Hospital Hamilton

Located in Hamilton Township, NJ, Robert Wood Johnson University Hospital Hamilton (RWJUH Hamilton), an RWJBarnabas Health facility, serves Mercer County as well as a larger five-county region of New Jersey. RWJBarnabas Health and Robert Wood Johnson University Hospital Hamilton's Cancer Center, in partnership with Rutgers Cancer Institute, the state's only NCI-designated Comprehensive Cancer Center, brings a world-class team of researchers and specialists to its cancer center, providing close-to-home access to the latest treatment and clinical trials. RWJUH Hamilton is Joint Commission Certified, Primary Stroke Center Certified from The Joint Commission, and a Center for Excellence from The Joint Commission for stroke, spine surgery and hip and knee replacement, and is MAGNET® Recognized from the American Nurses Credentialing Center (ANCC).

RWJUH Hamilton's other specialties include heart and vascular care, including emergency and elective angioplasty; a heart failure intervention program, coupled with specialty-trained support staff; treatment and care for minor injuries and life-threatening illnesses; outpatient diagnostic and treatment services and medical/surgical services; bariatric surgery; wound care; women's health; geriatrics/senior health and wellness care; infusion services; and outpatient rehabilitation and physical therapy centers, including cardiac rehab, orthopedic rehab, speech therapy, aquatic therapy, a balance and hearing center, and sleep center.

RWJUH Hamilton is committed to creating a culture of good health in our communities through educational programs designed to engage, screen, support and empower individuals to adopt and maintain healthy lifestyle habits that will contribute to their overall physical and mental well-being.
