What's your WHY for being a YPG at RWJUH Hamilton?

My why is simple: to support our hospital and the communities we serve. Being part of this group gives me the opportunity to contribute beyond my day-to-day role by helping raise funds, supporting meaningful initiatives and connecting with others who share a commitment to making a positive impact.

What inspires you and keeps you motivated to be a member?

What keeps me motivated is seeing the impact of everything we do. The time and effort we put into fundraising and events truly make a difference, helping support the hospital today while investing in its future.

What is something you think most folks don't know or realize about our YPGs?

One thing people may not realize is how close-knit our group is. We're a team that shares a passion for giving back, and everyone is focused on supporting the hospital and our communities.

Were you ever a patient or had services at RWJUH Hamilton? And if so, what would your review say?

Yes, multiple times. Each experience has reinforced my confidence in the hospital and the exceptional care our team provides. I've always felt well cared for and appreciated the professionalism, compassion and dedication of physicians and staff.

How do you like to spend your free time?

In my free time, you'll usually find me spending time with my family in Brigantine or out on the golf course with my close friends. Both are great ways to relax and recharge.
