

Young Professionals Group (YPG) Member Spotlight

SPOTLIGHT ON

Michael Pascucci *YPG Member*

YPG Member Since: 2024
Industry: Healthcare - Finance
Position: Senior Portfolio Manager

Where did you go to school/college?

I attended Notre Dame High School (Lawrenceville, NJ) and Saint Joseph's University (Philadelphia, PA).

What's your WHY for being a YPG at RWJUH Hamilton?

It has provided the opportunity to work with like-minded individuals pursuing community engagement and philanthropy.

What inspires you and keeps you motivated to be a member?

I'm inspired by raising the profile of our local community hospital, especially given the closures of hospitals in neighboring towns like Trenton. We play a vital role in raising funds for and awareness of the hospital in our community.

What is something you think a majority of folks don't know or realize about our YPGs?

We are more than a fundraising organization. We are also a networking group that is able to provide introductions and promote businesses within the broader Hamilton area, which is highly synergistic for all of the members and supporters.

Were you ever a patient or had services at RWJUH Hamilton? And if so, what would your review say?

Growing up in Hamilton, everyone knew "Hamilton Hospital" as our local hospital and I certainly had a few visits in my youth, between slamming my thumb in a car door or getting a concussion. I think I seem to remember getting a "frequent flier" card to the ER! While no one ever wants to land in the hospital, I've always felt confident that RWJUH Hamilton is the leader in our community in serving my family's health care needs.

Share a fun fact about yourself.

As a NJ native, I've been to my fair share of Bruce Springsteen concerts--85+ and counting!

What does it mean to you to have your wife, Nicole, be a part of the group too?

It brings me great joy to be aligned with my wife in our mission-driven volunteer efforts with the hospital. We have also made many friends along the way.
