**Deadline for applications was April 15<sup>th</sup>  
Please check back periodically throughout the summer for updates. Thank you.**

**How to Become a Junior Volunteer:**

- For high school students ages 15 through 17 years old (minimum of entering the 10<sup>th</sup> grade)
- Must commit to volunteer for at least a minimum of one year / at least a minimum of 100 hours of **continuous** volunteer service
- Students are welcome to remain in the program and exceed the minimum requirements. Excellent attendance and cooperation with the rules and regulations of our program would still be required
- Flu shots are mandatory during flu season (September-June) at the volunteer's expense. Documentation is required
- Two-step tuberculosis testing
- Students who do not meet minimum commitment / attendance requirements will not be eligible for recommendation letters, online recommendations, completion of forms or employment references.

For information on how to become a junior volunteer, contact the volunteer office at **609.631.6981** to arrange for an application **to be mailed to your home**. Applications are available only to those students whose availability matches a current opening. **Please check back periodically for updates**
