

**Junior Volunteer Opportunities**  
**January, 2020**

**Junior Volunteer Program – Year Round only**...*(we no longer offer a summer program or a school year program).*

**Applications are available for a limited number of “weekday” openings –  
4 pm to 7 pm (no weekend openings)**

**Applications are also being accepted for review and consideration to fill  
anticipated vacancies in June, 2020**

**How to Become a Junior Volunteer:**

- For high school students ages 15 through 17 years old (minimum of entering the 10<sup>th</sup> grade)
- Must commit to volunteer for at least a minimum of one year / at least a minimum of 100 hours of **continuous** volunteer service
- A student will not be interviewed if listed preferred days and times on application do not coincide with available hospital openings
- Medical clearance – Health attestation form (completed by personal physician) to include TB screening, immunization status, flu vaccine (during designated time frame) with review and support from RWJ Corporate Care/Employee Health
- Urine Drug Screen (conducted at RWJ Corporate Care/Employee Health at no charge to volunteer)
- Students who do not meet minimum commitment / attendance requirements will not be eligible for recommendation letters, online recommendations, completion of forms or employment references.
- Students are welcome to remain in the program and exceed the minimum requirements. Excellent attendance and cooperation with the rules and regulations of our program would still be required

For information on how to become a junior volunteer, contact the volunteer office at **609.631.6981** to arrange for an application **to be mailed to your home**.

Applications are available only to those students whose availability matches a current opening.

**Please check back periodically for updates**
