Thank you for your valued partnership and support!

RWJBarnabas HEALTH | Jack & Sheryl Morris Cancer Center

Rutgers Cancer Institute

You helped transform cancer care.
Today, we celebrate all that has been made possible because of this.

On behalf of Robert Wood Johnson University Hospital, thank you for your extraordinary generosity and commitment to the Jack & Sheryl Morris Cancer Center. Your devotion to exceptional cancer care is deeply appreciated and allows our patients and their families access to world-class comprehensive cancer care without the need to travel.

Empowered by your generosity, the Jack & Sheryl Morris Cancer Center opened its doors in 2025, becoming a place of hope and healing for thousands of patients and their loved ones. **Behind every visit, treatment and procedure highlighted in this report is a person whose cancer journey has been touched by your generosity.**

Through outpatient, inpatient and surgical services, the Jack & Sheryl Morris Cancer Center has quickly become the cornerstone of patient-centered care. Multidisciplinary teams are now able to collaborate more closely than ever - embodying a holistic approach to cancer care, ensuring that diagnosis, treatment and recovery are seamlessly integrated into the patients journey.

As we celebrate this remarkable first year, we hope you take pride in what you have helped build. New Jersey's first and only freestanding cancer hospital is more than a milestone in cancer care - it is a promise to patients that innovative treatment, compassionate care and hope are available close to home. **Thank you for being a vital partner as we continue our work to silence cancer.**

With deepest appreciation,

Jenny Mundell
Vice President, RWJ University Hospital Foundation

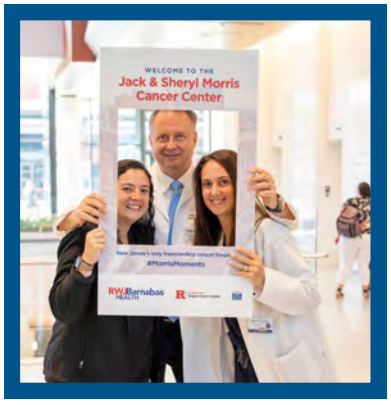

“Cancer is a journey no one should face alone – or far from home. I’ve long been driven by a deep commitment to support individuals during the most challenging moments of their lives.”

- Jack Morris

Founding Chair, RWJBarnabas Health Board of Trustees
and Chair, Robert Wood Johnson University Hospital Board of Directors

Celebrating Milestones, Together!

What began as a bold vision has become a place of hope and healing for patients and their families across New Jersey and beyond. In just one year, the Jack & Sheryl Morris Cancer Center has taken a transformative step forward in the delivery of comprehensive patient-centered care.

Each milestone represents more than a date. It represents another way your generosity helps us provide exceptional support to our patients when they need it most.

Thank you for being part of our team!

September 3
Surgical Services Opens

Today, New Jersey's first and only freestanding cancer hospital is fulfilling the promise behind its creation: providing patients with world-class cancer care close to home.

The Impact Behind the Numbers

In the words of our patients

> From the very first moment we walked through your doors, we were met with professionalism, kindness, and genuine humanity. The excellence of your medical care was evident in every step of the process, but what stood out just as much was the warmth of your people. Every interaction -whether with physicians, nurses, technicians, valet team, reception staff, or support teams - reflected compassion and dedication.

> There are no words to adequately convey the profound impact this outstanding medical facility has had on myself and countless others.
> As New Jersey's first and only freestanding cancer hospital, the Morris Cancer Center is far more than an exceptional state-of-the-art medical facility. It is home to an outstanding team of physicians, surgeons, nurses, radiologists, support care professionals, therapists, and researchers whose coordinated efforts are dedicated to saving and improving lives.

Every number represents a patient who placed their trust in us, a loved one who stood beside them and a care team providing hope at every step.

85K+
Outpatient Visits

9K+

140+ Bone Marrow Transplants

19K+ Radiation Treatments

From everyday care to some of the most advanced cancer therapies availaible, your support helps ensure patients have access to exceptional treatment when and where they need it.

This is Your Impact.

One year. Thousands of Patients. Countless moments of hope.

Every patient welcomed though our doors, every treatment delivered and every family supported is part of the care you helped make possible.

Your generosity helped turn a vision for extraordinary cancer care into a place where patients can find world-class expertise, innovative treatments and compassionate care close to home. While this year has given us so much to celebrate, it is only the beginning.

Thank you for standing with our patients. Thank you for believing in what is possible. And thank you for helping transform cancer care for generations to come.

We are profoundly grateful to have you as a partner.
