## BLOOD AND MARROW TRANSPLANT PROGRAM

The Blood and Marrow Transplant Program at Robert Wood Johnson University Hospital in partnership with Rutgers Cancer Institute of New Jersey has been performing transplants since 1995. As one of only two institutions in the state of NJ, the Blood and Marrow Transplant Program is the only one that is part of an NCI-designated Comprehensive Cancer Center.

Our program is FACT accredited and has been rated as an "Excellent Program by the American College of Surgeons."
