

## RAPID ADMIT UNIT

The Rapid Admit Unit at Robert Wood Johnson University Hospital (RWJ) expedites the admission process for patients coming from their physician's office or home who need to be admitted to an inpatient unit at RWJ.

The lounge will be equipped with comfortable reclining chairs in a warm private setting, and patients will be welcomed by experienced nurses and clinical care technicians.

Our goal is to have your patients to their assigned inpatient bed within 90 minutes of arrival to the lounge.
