## ABOUT THE PROGRAM

Robert Wood Johnson University Hospital offers a convenient, first-class health care experience for today's busy male and female executives.

## OUR SERVICES

### The Executive Exam

Takes just five hours and you receive the results the very same day.

### Women's Wellness Consultation

A customized plan and series of tests offered just for women.

## ADDITIONAL SERVICES

Beyond the Executive Examination, the program offers a multitude of additional testing and services, including:

- Bone density scan
- Screening colonoscopy
- CAT Scan
- Pulmonary function tests
- Thallium stress test
- Full body scan
- Diet and exercise consultation (50 minutes)
- Endometrial biopsy
- Pelvic sonogram
- MD consultation services (50 minutes)
- Nutrition consult with registered dietitian (60-120 minutes)
- Follow-up
