ABOUT THE PHYSICIAN ACCESS LINE: 1-855-31-RWJUH

Now, by dialing one phone number, you can immediately be connected with Robert Wood Johnson University Hospital (RWJ), its physicians and services.

We encourage you to use our Physician Access Line (1-855-317-9584), designed specifically to put you in touch with any RWJ program, physician, unit or service at a moment's notice.

With specialized units for critical care, cardiac, cancer, neuro, transplant, neonatal, pediatrics, obstetrics, medical and surgical patients, RWJ is a valuable resource for our physician audience.

ABOUT THE SERVICE

Our phone is answered by trained representatives who provide efficient, streamlined service by connecting you year-round, 24 hours-a-day, 7 days-a-week. You will always be greeted with a friendly associate who will relay information and link you with exactly what you need.

Examples include:

- Access to our Transfer Center for adult and pediatric inter-hospital transfers and attending physician consultations
- RWJ specialist and contact information
- Link to physician services, including: medical administration, SCM support, medical records, patient information, billing, managed care, and lab results
- Connect to adult and pediatric ED, admitting office, bed management, Rapid Admit Unit, central scheduling, OR Scheduling and all inpatient adult and pediatric nursing stations.

CONNECTION

RWJ's Physician Access Line serves as a connection to RWJ's Transfer Center and our Pediatric Transport Program, which allows for attending physician consultations and streamlined coordination of transfer admissions through ground and air ambulances.

PARTNERS

Rutgers Robert Wood Johnson Medical School faculty physicians, along with physicians in the community are partners, working in collaboration with regional physicians to deliver patients the specialized care of an academic medical center, with the personalized care of a community hospital.

The Physician Relations office is a new initiative that demonstrates our commitment to communication with our private and faculty physicians.

Any issues, questions, or concerns, can now be directed to your dedicated physician liaison to support you and your staff in navigating RWJ.
