

THIS IS WHAT IMPACT LOOKS LIKE

Thanks to **Comfort Project 360**, creating a more comfortable **healing** environment for patients undergoing cancer treatment with renovated waiting areas and infusion rooms

Giving **children** the opportunity to **relax** in a renovated playroom while receiving treatment at our Burn Center

Helping our **tiniest patients thrive** through the purchase of a NICU Giraffe Isolette, a special incubator that helps ease physiological stress for premature babies

Keeping **hearts beating** by funding the purchase of ReDs Vests, equipment that monitors for a common, life-threatening cardiac issue

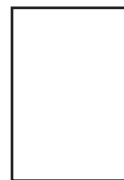

Improving quality of **life** for Parkinson's patients by funding Rock Steady, a specialized exercise program that teaches patients noncontact boxing techniques focused on balance and coordination

Easing anxiety for children and families during Emergency Department visits with support for our Child Life Program

Philanthropy at work
