

Initial EMT Training Program Application

ATTENDANCE AGREEMENT

New Jersey State statutes require 100% attendance at all course sessions. **There are no exceptions** including all school related activities, college visits, interviews, work, and so on. Please review the schedule for your course location and starting date at www.rwjbh.org/emttraining. No phone calls or emails asking for consideration please – 100% attendance is state required.

In addition to reviewing the schedule, RWJBH recommends saving a copy of the schedule to your computer from www.rwjbh.org/emttraining. Even though a copy will be given to you in class, our training page does change frequently and students often find it helpful to refer back to the schedule before the course begins.

NOTE: In addition to the class sessions above, this course is reading intensive. Please consider your schedule and make sure that you will have the time to complete all necessary work.

By typing your name on our online application, the student and parent/guardian where appropriate acknowledge that they are aware of the expectation of 100% attendance for this course as required by the State of NJ, have reviewed the schedule, and that they can attend all course sessions listed.
