

ADMISSION TO UCC

All Trinitas School of Nursing applicants must be a Union County College (UCC) student. It is the applicant's responsibility to provide the following information and/or credentials to the Union County College Admissions Office to complete his/her application:

- UCC admission application, apply online at www.ucc.edu
- Official transcripts of all posts secondary schools attended
- Official transcripts of Practical Nursing Program
- Email nursing@ucc.edu to schedule an advisement appointment
- Foreign transcripts may require an evaluation by World Education Services or other authorized services if the application is seeking transfer credit.

TUITION & FINANCIAL AID

For specific information regarding tuition, fees and other charges related to attending the Trinitas School of Nursing, please refer to the Trinitas School of Nursing Catalog and the School of Nursing Tuition and Fee Schedule located on the School of Nursing's website. www.trinitasschoolofnursing.org

The approximate cost of taking all nursing courses at Trinitas School of Nursing for the LPN TO RN Program Track is \$33,111.

Over 50% of the students enrolled in nursing courses at the School of Nursing receive some form of financial assistance. Financial Aid is available through Union County College. For financial aid information, please call (908) 709.7500 or visit the Union County College Website www.ucc.edu

LPN TO RN PROGRAM TRACK

The Trinitas School of Nursing (TSON) and Union County College (UCC) jointly conduct a Cooperative Nursing Program. This program awards a Diploma in Nursing from Trinitas School of Nursing and an Associate in Science Degree from Union County College upon successful completion of the curriculum.

Prospective Trinitas School of Nursing students enter Union County College as a Health Science major and apply for admission into the Trinitas School of Nursing through the LPN-RN application process.

Fully accredited by the New Jersey State Board of Nursing and the Accreditation Commission for Education in Nursing, the program offers a basic course of study in nursing. It provides a sound theoretical base of knowledge in nursing, biological, behavioral and sociological sciences, and integrates this knowledge into academic and practical experiences within the health and illness continuum of client care.

Students earn a total of 73 credits. Upon graduation students are eligible to sit for the National Council Licensing Examination (NCLEX-RN) for Registered Nurse Licensure.

A negative criminal history background check and a negative drug screen are required by the School for enrollment in clinical nursing courses starting with NURE 212.

Science and liberal arts courses (general education) may be completed at the Elizabeth, Plainfield, or Cranford campus of Union County College. Nursing (NURE) courses are conducted by Trinitas School of Nursing on the Elizabeth Campus. Students may transfer up to 36 credits from another college toward the Associates Degree, however nursing courses are not transferable. Transfer credit for college courses requires grades of C or better.

CURRICULUM DESIGN

PRE-REQUISITES		CREDIT(S)
BIO 105	Anatomy & Physiology I	(4)
BIO 106	Anatomy & Physiology II	(4)
BIO 108	Microbiology	(4)
