

New requirement!

- As of Fall 2024, all current TSON students are required to have a laptop computer with minimum systems requirements so you can:
 - Take all (required) exams and quizzes via “Exam Software”
 - access all course material from anywhere.
 - submit clinical and class assignments.

Laptops are available in the Union College bookstore in all campuses.

- If you are eligible for financial aid, check if the laptop is included in your financial aid package. The link for more information is: <https://www.ucc.edu/techfee/>
- If you carry less than 12 credits (full time status), you can apply for a laptop loaner. The link for more information is: <https://www.ucc.edu/laptoploaner/>

If you already own a laptop, it must meet the following specifications:

Minimum System Requirements:

Operating system: Windows or MacOS

Processor: Intel i5 or better (non- ARM processor)

Ram: 8GB

Storage: 128 GB or higher
