Dear Friends of Trinitas Foundation,

Welcome back to our very first Trinitas Evening at the Races since 2020. I'm betting tonight will be a welcome family reunion for all of us, filled with heart-pounding races, fabulous food, great friends and unbeatable prizes!

"One System, One Family" is the RWJBarnabas motto.... And who knows more about family than Trinitas? We care for each other in ways that others can only imagine. It's why you donate so generously to make sure our patients receive first-rate care that respects their dignity. It's why Trinitas provides urgently needed safety-net healthcare services for every person who needs us, regardless of their ability to pay. And it's why we create programs like "Promoting from Within", which provides nursing assistant career opportunities for our hard-working housekeepers and dietary workers, who already go above and beyond to comfort and care for our patients.

Together we have formed a close-knit family that is made possible by your generosity. We thank each of you for your generous gifts, which allow our important lifesaving work to continue.

I hope you enjoy every minute of tonight's festivities. Thank you for supporting our patients and have a wonderful evening!

Best Wishes,

Laura Ciraco

Whoever your heart beats for, our hearts beat for you.

Same name. Same friendly faces. New ways to maintain heart health.

Trinitas Regional Medical Center is now part of RWJBarnabas Health. Together, we have a passion for heart health, starting with a full-service cardiac facility as well as facilities for the intensive nursing care of patients with cardiac disease, including our cardiac care unit, intermediate coronary care unit, cardiac catheterization lab, non-invasive cardiology services - including both elective and emergency angioplasty - full-service emergency department, and cardiac rehabilitation services. We also provide innovative, non-invasive and image-based coronary diagnostic testing. It's all part of our dedication to every heart in our community.

Let's be healthy together.

I've got cancer but I also have an expert team of specialists on my side.

Same name. Same friendly faces. New ways to fight cancer.

Trinitas Regional Medical Center is now part of RWJBarnabas Health. Together with Rutgers Cancer Institute of New Jersey, the state's only NCI-designated Comprehensive Cancer Center, we offer the most advanced, patient-centric cancer care. Our multidisciplinary teams of nationally renowned oncologists, nurses, oncology nurse navigators, researchers and support professionals ensure a compassionate, comprehensive approach, creating an individualized treatment plan for each patient - all in a beautiful, tranquil environment for healing and recovery. Our patients now have expanded access to innovative clinical trials, precision medicine, immunotherapy and advanced techniques and procedures to treat all cancers. About Trinitas Regional Medical Center

The Trinitas Foundation is the philanthropic arm of Trinitas Regional Medical Center, which joined RWJ Barnabas Health (RWJBH) on January 1, 2022. Even though Trinitas is the newest member of RWJBH, our mission remains the same. All funds raised will continue to be for the exclusive use of patient care at Trinitas. Located in Elizabeth, Trinitas is a comprehensive Catholic teaching medical center that serves Northern and Central NJ. One of NJ's foremost safety-net hospitals, Trinitas is a haven for the working poor and impoverished people of the Greater Elizabeth Region, who comprise the vast majority of our patient base. Trinitas is the state's top Charity Care provider as a percentage of operating revenue. With 12 Centers of Excellence across the continuum of care, Trinitas has distinguished itself in cardiology, cancer care, behavioral health, renal care, nursing education, diabetes management, wound healing, breast health, senior's healthcare, women's healthcare, and sleep medicine.

Help Support Patients in these Programs

Trinitas operates one of the most highly respected and comprehensive departments of Behavioral Health & Psychiatry in New Jersey. Services are offered along a full continuum of care, with specialized services available for adults, children, adolescents and their families, as well as services for those with various substance use disorders. In addition to operating a 98-bed inpatient facility, the medical center provides almost 200,000 outpatient behavioral health visits annually.
