

TRINITAS HEALTH
FOUNDATION PRESENTS...

16TH ANNUAL EVENING AT THE RACES

February 15, 2020
Meadowlands Racetrack

Welcome to the 16th Annual Evening at the Races!

Dear Friends of Trinitas Health Foundation,

Love certainly is in the air at the Meadowlands this Valentine's Day weekend! And we'd like to personally thank you for spreading your love to our patients by generously supporting our 16th Annual Evening at the Races. We've planned an event you are sure to love, with thrilling races, fabulous food, great friends and unbeatable prizes....all with a view of the New York skyline!

In keeping with the theme of Pink Restaurant, your contributions tonight will spread some love for our patients at the Connie Dwyer Breast Center. Opened in 2018, Trinitas' new Breast Center is an exceptional place of care, with a spa-like atmosphere, highly-qualified bi-lingual staff and state-of-the-art technology. The only exception to its high standards is its MRI machine, which is 16 years old and in urgent need of replacement. By completing this final equipment acquisition, your gifts tonight will guarantee that local women have complete access to the highest quality breast healthcare, regardless of their insurance status and ability to pay for our services!

As you page through our program we hope you will also show some love to our generous sponsors. Please support them when you need high quality goods and services. Like you, they value the wonderful patient care we deliver at Trinitas every day!

Thank you for joining us tonight and for always supporting our patients. We appreciate your generosity and hope your evening is a winner!

Happy Valentine's Day,

Stephen Bonventre & Barbara Colaco
